While storytelling is a great favorite of preschoolers, many elementary age children are more drawn to crafts and other activities. StoryCraft is an award-winning library program that combines storytelling with crafts in an exciting and engaging activity for children in first through third grades. Each one-hour program includes storytelling, a craft, movement, activities, music, and discussion. This collection of StoryCraft programs presents 50 fun and educational theme-based sessions. Each includes suggestions for promotion, music, crafts, activities, and stories. The sessions also include bibliographies to help direct young readers toward additional reading, as well as diagrams, detailed instructions, and supply lists for the crafts. The themes range from a Jungle Safari to Math Mayhem to a Western Roundup, all encouraging children to enjoy reading in a variety of ways. Each session has plenty of suggestions, so that the program can be customized. Helpful Hints for implementing the program can help any librarian,

One day, Little Squirrel looks up in the sky and sees a lonely cloud floating high above. He decides he must go and catch the cloud so that he can say hello. But no matter how far and how fast he runs, Little Squirrel never seems to get any closer to the lonely cloud. As he goes up the hill and down into the valley, he meets with many others. Water in the clear, cool stream helps him when he is thirsty. Mighty Mountain and the Great Wind quarrel with one another, but with Little Squirrel's help, they learn that they are each important. And the broad oak offers him shelter for the night, since it knows that talents differ and that all of them need each other. But can Little Squirrel finally catch the lonely cloud? Loosely based on Ralph Waldo Emerson's poem "A Fable," this children's story tells the tale of a squirrel who sets out to meet a lonely cloud in the sky and comes across many others along the way.
