Oh well!" **INCLUDED IN THIS COLLECTION: NEVER LOOK BACK** When they kidnapped her, something dark inside me came bubbling to the surface. I knew I wasn't afraid anymore. I wasn't going to ignore my past any longer. This time, I would fight... **WRECKED & YOURS** When the ship went under, I acted fast, and I did what I had to. And now we were stuck in the middle of nowhere, and the worst was yet to come. Looking back, I guess I always had a suspicion that there was something fated about those three strange days we spent together, and about the chain reaction afterwards that brought us both square into one another's lives. **COME UNDONE** I can spot women like her a mile away. Uptight, fearful, holding onto their perfect lives by a thread. The moment I saw her, I wanted to break that thread. I want to possess her. Strip her down. Unravel her little world, and get at her hidden inner core that I've only had glimpses of so far. **ONE LAST BREATH** Aden - ex military and professional killer - has had it with the big city. But now I have a chance to do what's right. And I will. Whatever it takes... **RESISTING THE BAD BOY** I can see right through her good girl charade. I'm an actor, after all. I do what I want, and I don't do anything unless it excites me. And she excites me. There's something dark about her. Something magical, chaotic and beautiful. I could stay away. I should stay away. But I won't... **BARE HANDS** She was pretty, I'll give her that. Damsel-in-distress was a good look on her. And like all the other missionaries, she came to this remote part of the world with an agenda. And I can't wait to see that agenda fall to pieces as she realizes what she's really out here to find. And when she does, I'll be right here, waiting, ready to give it to her. **ALL OR NOTHING** If you think you've heard this story before, well, what can I say. Parts of my life certainly are predictable. My life, from some angles, looks a hell of a lot like a cheesy daytime soap. But that's not all it is. You might not believe me yet, but this is a story about love. No, really. You'll see... **HEART OF DARKNESS** Can I open my heart to her, completely - no matter how dark that heart is? God, The Devil, The most intelligent human being ever born to the human race. What do they all have in common? They star in this groundbreaking book series: *The Christ-Edge: The Creation of a New Universe*. It is the year 3000 and most of the human beings have chosen atheism and Satanism, giving the Devil the power to create the Death Waltz—the murderous inter-dimensional storm that allows the death-spawn to materialize in the 3-D universe and decimate human beings. The Devil's goal is to re-create the universe in his image and only those who pledge allegiance to him—the ones who have taken his mark on their souls, supplying him with the majority of the sin-energy to power the Death Waltz—are allowed to live in it for eternity on the condition that they worship him and only him. Oh yeah, another thing that has been imposed—by far the most important condition,—the condition known as All or Nothing—whichever wins, the other one is automatically destroyed for all eternity, all or nothing. This means that if the Devil wins Jehovah God Almighty is eternally destroyed and vice-versa. The Devil has been praying for this situation with all his being; God's feelings are unknown concerning this manner. Why did Jehovah God Almighty allow this situation? How did this wager begin? How did the Devil get his hands on eternity? Who is the Christ-Edge warrior and how will he save humanity? How did the Devil get his hands on the power to create a new universe and what would God do to stop it? All of these questions and many more will be answered in this literary masterpiece saga—*The Christ-Edge Saga: All or Nothing, The Creator's Fire*.

“After years of debate and inquiry, the key to a great marriage remained shrouded in mystery. Until now...”—Carol Dweck, author of *Mindset: The New Psychology of Success* Eli J. Finkel's insightful and ground-breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras. Indeed, they are the best marriages the world has ever known. He presents his findings here for the first time in this lucid, inspiring guide to modern marital bliss. *The All-or-Nothing Marriage* reverse engineers fulfilling marriages—from the “traditional” to the utterly nontraditional—and shows how any marriage can be better. The primary function of marriage from 1620 to 1850 was food, shelter, and protection from violence; from 1850 to 1965, the purpose revolved around love and companionship. But today, a new kind of marriage has emerged, one oriented toward self-discovery, self-esteem, and personal growth. Finkel combines cutting-edge scientific research with practical advice; he considers paths to better communication and responsiveness; he offers guidance on when to recalibrate our expectations; and he even introduces a set of must-try “lovehacks.” This is a book for the newlywed to the empty nester, for those thinking about getting married or remarried, and for anyone looking for illuminating advice that will make a

real difference to getting the most out of marriage today.
