Drawing on years of apprenticeship under his father and grandmother, don Miguel Ruiz Jr. shares Toltec lessons on Love, Faith, Agreements, and most importantly: Awareness. The purpose of each meditation is to guide readers into a deeper understanding of his or her self, as well as the world in which we live. In the introduction to the book, don Miguel Ruiz Jr. reminds readers that progress on the Toltec path is not measured by the acquisition of things, status, or even ideas, but rather the complete and total realization that everything in the world is perfect, exactly the way it is at this moment. "Love is accepting ourselves just the way we are, with all of our flaws and our ever-changing belief system. You are nothing else but who you are. You are not the person you were a year ago. You are not the person you will be in a year. You aren't even the person you think you are. You simply are, and that must be enough." —don Miguel Ruiz Jr. This book will have special appeal to those already familiar with his father's books *The Four Agreements*, *The Mastery of Love*, and *The Fifth Agreement*, as well as don Miguel Ruiz Jr.'s own book, *The Five Levels of Attachment*. It also makes a wonderful gift.

Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

A rant-ish memoir by the veteran stand-up comedian and former cohost of *That Metal Show*, with a foreword by Jim Norton *Twitter Trolls. Facebook Freaks. Instagram Exhibitionists.* These are just a few of the creatures our technology-obsessed culture has spawned in its quest to simplify our lives. The madness is so universal now that everyone has dealt with it. You log in to Facebook, read a stupid post, and immediately want to tell your "friend" to go have relations with himself. Sure, social media may keep us connected, but it is a breeding ground for idiots, and these idiots have crowd-sourced a storm of useless information, corny jokes, and douchebag drama that's wasting our time and screwing with our peace of mind. Thankfully, popular comedian and television host Jim Florentine has a solution for those of us on the verge of bashing our iPhones to bits. In *Everybody Is Awful*, Florentine attacks awful people and awful situations with the same biting satire and cringe-worthy humor that made him famous on television shows like *Crank Yankers*, *Meet the Creeps*, and *That Metal Show*. Along the way, *Everybody Is Awful* takes readers through the author's formative years, a time filled with rebellion and horrible behavior, to the crazy early days of his career as a stand-up comedian. Florentine also recounts how he developed an obsession with pranks that morphed into

his uniquely vigilante style of comedy and made him one of the most legendary prank callers of all time. Florentine excels at channeling the core rage we all feel at the seemingly small annoyances of life, and his fans love the cathartic experience of his hilarious ranting and raving, a tradition continued in *Everybody Is Awful*. Acting as a de facto therapist, Florentine diagnoses awful behavior, shames awful people, and offers comedic takes on how to reclaim our lives from it all.

The Five Levels of Attachment picks up from where Don Miguel Ruiz, Jr's father's book, *The Four Agreements*, left off. Building on the principles found in his father's international bestseller (2.5 million copies sold in the US), Don Miguel explores the ways in which we attach ourselves inappropriately to beliefs and the world. This is ancient wisdom for finding your true self. Ruiz explores the five levels of attachment that cause suffering in our lives. The five levels are: • Authentic Self • Preference • Identification • Internalization • Fanaticism Accessible and practical, *The Five Levels of Attachment* invites us to look at our own lives and see how an unhealthy level of attachment can keep us trapped in a psychological and spiritual fog. He then teaches us to reclaim our true freedom by cultivating awareness, detaching, and discover our true selves.

This *Charming Petite** volume excerpts the bestselling original book in a concise and readable way, presenting "The Four Agreements: " Be impeccable with your word; Don't take anything personally; Don't make assumptions; and Always do your best.

passed down their wisdom through teaching stories. The purpose of these stories is to implant a seed of knowledge in the mind of the listener, where it can ultimately sprout and blossom into a new and better way of life. In *The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life*, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of "witch doctor," the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.
