W'starrah Altieri can see the future, ranks high in her church, and is without question the most beautiful woman in the North Mark. But the prophecy she knows to be true will either break her heart, destroy her home or end her life. In 2002 ADR, the jewel of the southern empire is the city of Cryssigens, where life is an unending carnival of display, while intrigue brews beneath the surface. Nobles, guilds and House Cups scheme with and against each other, even in the best of times. But civil war stripped the city of its Overlord, and now factions emerge daring all in a bid to succeed to the throne. One of the leading lights of Cryssigensian society is W'starrah Altieri, the Lavender Lady, high-ranking priestess of the sect of Argens Stargazer; while others see only her dazzling beauty her eyes are filled with foreknowledge of the future. She willingly risks life and reputation to save her city, but juggling visions, rivals, suitors and the occasional assassin pushes the real world further from her grasp. Who could expect that in the midst of this she would meet the promised love of her life, or foresee that he too is doomed? "Perilous Embraces" is the third story in the Shards of Light saga set in the Lands of Hope. It is highly recommended that you read the preceding novels "The Ring and the Flag" and "Fencing Reputation" first.

After a life of pool hustling and living on the wrong side of the law, Ruby Elliott is living on the straight and narrow with sexy-as-all-hell NYPD detective, Troy Bennett. Now the only trouble Ruby has with the law is the naughty kind, pinned against the wall by Troy's strict and spectacularly hard body. Obeying his every command. Both of them losing themselves in a lust that borders on obsession... But then her father returns with an offer she can't refuse: one last hustle in exchange for information. Information she'd die to have. As the pieces and the players of the game reveal themselves, Troy feels the fine edges of his control slipping—control he can't channel without hurting Ruby. The stakes are high, and the risk higher. Because losing this final game could cost more than Ruby's heart...it might cost her life. After all their secret and lies are exposed Meghan, Candace, and Denise don't know who they can trust. But they soon learn that even if they can't trust each other they can trust in God.

The Nature of Risk is a short, beautifully illustrated and easy-to-understand book written to help readers face one of modern life's most important and difficult tasks—confronting risk. Free of complicated theories or formulas, The Nature of Risk relies instead on a simple story featuring a cast of familiar, forest-dwelling animals, each of which embodies a different approach to risk management. At least one of these approaches will seem familiar to every reader—whether they knew they had an approach to risk management or not. Then, as the story unfolds, the strengths and weaknesses of each approach will be revealed through a series of "natural" tests. Finally, at the conclusion of the story, readers will come to a short review section designed to help them frame their first attempts at managing risk—with or without professional help.

Ginger Peet has never regretted leaving Nashville with her sister and their life-sized statue of Dolly Parton. Now she's settled in Chicago with Lieutenant Derek Tyler, spending her nights pressed against every inch of his hard, dominating, and panty-meltingly-hot body. And there's nowhere Derek would rather be than reminding Ginger—thoroughly and exquisitely—that she belongs to him. But then trouble hits the streets of Chicago. The kind of bust the old-school boys call a "widow-maker." To keep Ginger safe, Derek's forced to shut her out and keep himself away from her luscious

body, or risk losing her forever. But Ginger has just been presented with some, er, unexpected news. And right now, it's best she keeps that news to herself. Because Derek stands to lose far more than he knows, until he takes the law—and Ginger—into his own hands one last time... Previously released as part of the Lovers Unmasked anthology. Clay McGavran was stuck in hell. Otherwise known as Denson, Virginia - a small town in the shadows of the Blue Ridge Mountains - a town shrouded in the pain and tragedy of the past. As partner at one of Richmond's most successful construction and design firms, building someone else's dream home was his job. But when their dream brought him to the town of his nightmares, he was thrust into a past he'd worked diligently to forget. The only respite to his misery came from an unexpected - and inconvenient - source. His new assistant, Alison. To Clay, Alison was the woman whose perpetual smile and hauntingly familiar eyes were a balm to his scraped and bruised psyche. She was the antithesis of the type of woman he usually took to his bed but he found himself wanting her more than any woman before her. And, as his employee, she was the one woman he couldn't have. His company, friendships, and reputation were at stake. He couldn't cross that line again. He'd been reckless in the past and it had nearly cost him his company - and his life. But it's not so easy to walk away when, in the fires of his personal hell, he may have stumbled headlong into his salvation. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.***

Disgraced cop Henrik Vance is having a shit year. Banished to a derelict undercover squad, he's been tasked with hunting down the daughter of Chicago's most dangerous criminal. His obsession with saving the beautiful girl destroyed his career. And this time, it might cost his life. Ailish O'Kelly doesn't need a hero. She'll save herself from her father's violent criminal dynasty, thank you very much. Unfortunately, the sexy as sin cop who crashes her hideout isn't hearing reason—especially not after the kiss that becomes much more. His boss wants her as an informant. Ailish wants Henrik to keep whispering filthy things against her skin. But she knows too well the evil they're up against, and when it comes down to protecting the man who owns her body and soul, she only has one choice... She's gone rogue. Seraphina Newsom isn't looking for vengeance...she wants justice. Three years ago, Sera's brother was ruthlessly gunned down by one of Brooklyn's most dangerous mob kingpins. The investigation has stalled out, deemed "too dangerous" by the police commissioner. So to track down the evidence she needs to take down her brother's killer, Sera turns in her hospital scrubs, joins the NYPD, and goes undercover. Unsanctioned. Alone. He'll live to keep her safe. With his father behind bars, Bowen Driscoll has reluctantly taken over his family's sprawling South Brooklyn crime operation. New York's finest have other plans. By threatening the safety of his sister, they "convince" Bowen to extricate a rogue cop who's in over her head. But when he meets Sera and feels that deep, damning shiver of desire course through him, Bowen

knows there's only one way to keep her safe without blowing either of their covers...by claiming her as his own. Story Brooks' fiancé just called off their wedding two weeks before the happy day. As if that isn't bad enough, her semi-estranged father, an infamous NYPD hostage negotiator, has suffered a heart attack. Not wanting to examine her lack of emotion over the broken engagement, she hops on a plane to reconnect with her father before it's too late. Playboy hostage negotiator Daniel Chase has never, not once, been refused by a woman, so when a debate over hospital snack foods with a delectable kindergarten teacher ends in flat-out rejection, he makes it his mission to seduce her. His only obstacle? She's the daughter of his mentor who implicitly forbade Daniel from pursuing her. Despite her father's warnings and Daniel's troubled past, Daniel and Story can't resist their intense attraction to one another. But when the reason for her fiancé's abrupt wedding cancellation comes to light, can Story and Daniel's already forbidden relationship survive? If you want to go up the ladder of success, if you want to get what you want, if you want to fulfill that "burning desire" that keeps your mind busy all the time and you do not do something about it, if you want to do "that thing" that you wanted to do some day but you never got a chance to do so, you must take your hands out of your pockets, roll up your sleeves, and take action now. You cannot sit still and expect the elevator of success to come down and take you to the peak. It has not happened to anyone. It will not happen to you either, guaranteed! Over the past several years I have helped many people like you to take their hands out of their pockets and climb their ladder of success. I have spent quality time with them, listened to them, felt their pain, assisted them in taking the right path, and made sure they came out of the process successful and fulfilled. I want to help you too. If you are committed to YOUR success and want to get what you truly want, this book is an excellent start. Are you ready for the journey? From the author of THE RISE AND FALL OF A YUMMY MUMMY comes IT HAPPENED ONE SUMMER -a funny, poignant page-turner about family dysfunctions, coming of age and forgiving your mother. 'Williams writes with deadly, witty accuracy about modern life' Sophie Kinsella Nell Stockdale is in a pretty good place, managing to

combine a full-on career with single motherhood; a lovely flat, great girlfriends, and a sexy younger man on the scene. But her mother is very ill. Will she return to the family's large, damp Cornish farmhouse to care for her? Normally Nell keeps her family at arm's length. Her sister is engaged to Nell's ex big love, and she has never got on with her eccentric, distant mother. But something powerful is pulling her back to Cornwall... Connor Bannon is supposed to be dead. Dishonorably discharged from the Navy SEALs, he's spent the last two years working as a street enforcer in Brooklyn for his cousin's crime ring. Through a twist of fate, he's now in Chicago, working undercover to bust criminals. But when a cute little arsonist joins the team—all combat boots, tiny jean shorts, and hot-pink hair—Connor's notorious iron control slips. Erin "she's getting away" O'Dea knows two things. She hates authority. And... Nope, that's it. When she's forced to operate on the "right" side of the law, her fear of being confined and controlled blazes to the surface. The last thing she expects is a control freak like Connor to soothe her when she needs it most. Worse, something behind the sexy ex-soldier's eyes ignites a dangerous inferno of desire. One that invites Erin to play with fire. And one that could get them both killed... Each book in the Crossing the Lines series is a standalone, full-length story that can be enjoyed out of order. A new adult novel from Entangled's Embrace imprint... He's the last thing she wants...but the only thing she needs. Willa Peet isn't interested in love. She's been there, done that, and has the shattered heart to prove it. Ready to shake the breakup, she heads to Dublin, Ireland. But there's a problem. A dark-haired, blue-eyed problem with a bad attitude that rivals her own. And he's not doling out friendly Irish welcomes. Shane Claymore just wants to race. The death of his father forced him off the Formula One circuit, but he's only staying in Dublin long enough to sell the Claymore Inn and get things in order for his mother and younger sister. He never expected the sarcastic American girl staying at the inn to make him question everything. But even as Willa and Shane's fiery natures draw them together, their pasts threaten to rip them apart. Can Shane give up racing to be with the woman he loves, or will Willa's quest to resurrect the tough-talking, no-shit-taking girl she used to be destroy any hope of a future together?

Con artist Austin Shaw's been in disguise so long he's not sure where his fake identities end and he begins. Now that he's been strong-armed into working for a specialized undercover unit working with the Chicago police—criminals with unique “skills”—the last thing he needs is to risk his iron control. Especially when it comes to a certain stunningly sexy hacker who tempts him with every look of disdain. Polly Banks will never, ever trust a con man. On the trail of a ruthless crook who destroyed the only family she's ever known, Polly is unnerved by the shadow who follows her every move. The one who makes her pulse pound and breath short with lust. Austin. He's infuriating, enigmatic, and pure sex appeal, and she's determined to resist him. But an untrustworthy man of disguise can become anyone he wants...including a man that Polly must trust if she's to escape their dangerous game alive. Modern-day pirates took more than Jori Virtanen's friends; they stole his face. Not only does the twenty-four-year-old former model have to confront months of reconstructive surgery, he discovers his previous life was as superficial as his looks. Up-and-coming talk show host Olivia Howard wants an interview. She, like the rest of the press, expects a hero, but Jori knows the truth. His beauty masks a beast. In seclusion and evading the press, Jori struggles to make a new life as an artist. But he can't hide from himself; more than his face is damaged. How can Jori possibly make amends for all that he's broken? When Olivia finally tracks him down, he must decide if he can trust her. Could this unlikely woman be a key to freeing his heart and healing the beast?

No risk, pay the cost. Know risk, reap the rewards. In our risk-avoidance culture, we place a high premium on safety. We insure our vacations. We check crash tests on cars. We extend the warranties on our appliances. But by insulating ourselves from the unknown—the risks of life—we miss the great adventure of living our lives to their full potential. Ben Carson spent his childhood as an at-risk child on the streets of Detroit, and today he takes daily risks in performing complex surgeries on the brain and the spinal cord. Now, offering inspiring personal examples, Dr. Carson invites us to embrace risk in our own lives. From a man whose life dramatically portrays the connection between great risks and greater successes, here are insights that will help you dispel your fear of risk so you can dream big, aim high, move with confidence, and reap rewards you've never imagined. By avoiding risk, are you also avoiding the full potential of your life? The surgery was as risky as anything Dr. Ben Carson had seen. The Bijani sisters—conjoined twins—shared part of a skull, brain tissue, and crucial blood flow. One or both of them could die during the operation. But the women wanted separate lives. And they were willing to accept the risk to reach the goal, even against the advice of their doctors ... As a child on the dangerous streets of Detroit, and as a surgeon in operating theaters around the world, Dr. Ben Carson has learned all about risk—he faces it on a daily basis. Out of his perilous childhood, a world-class surgeon emerged precisely because of the risks Dr.

Carson was willing to take. In his compelling new book, he examines our safety-at-all-costs culture and the meaning of risk and security in our lives. In our 21st-century world, we insulate ourselves with safety. We insure everything from vacations to cell phones. We go on low-cholesterol diets and buy low-risk mutual funds. But in the end, everyone faces risk, like the Bijani twins did with their brave decision. Even if our choices are not so dramatic or the outcome so heartbreaking, what does it mean if we back away instead of move forward? Have we so muffled our hearts and minds that we fail to reach for all that life can offer us—and all that we can offer life? Take the Risk guides the reader through an examination of risk, including:

- A short review of risk-taking in history.
- An assessment of the real costs and rewards of risk.
- Learning how to assess and accept risks.
- Understanding how risk reveals the purpose of your lives.

A Collection of Matt Shaw's heartbreaking dramas Matt Shaw does not just write horror. In fact, when asked what his favourite books are, he often names the tales collected within this set. Stories of heartbreak, loss and grief - all with an element of hope... A hope we often forget when dealing with grief. Contained within this collection Heaven's Calling BOY: Built to Love The Missing Years of Thomas Pritchard (unpublished short story) Alone Heaven's Calling Josh and Holly could face anything thrown at them all the time they had each other. Their love would conquer anything and the world was their oyster. But when a tragic accident tears Josh away from Holly she realises that, without her husband, she cannot cope and her world begins to crumble; her loss being more than she can handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She isn't even sure if it really is him calling or whether it's all in her tormented mind. Especially seeing as the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling? Boy: Built to Love No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use Artificial Intelligence to create A Boy: Built to Love? Is the answer to their problems to be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? The Missing Years of Thomas Pritchard August 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled

out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. * * * * * August 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for him to bear any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home.

Travis Maurice Walker or otherwise known as Travis Grizzly is an American ex-Green Beret sniper who fought in the Afghanistan war. The six-foot-five, three-hundred-pound soldier was trained exceptionally well in hand-to-hand combat. In all his years he has never experienced defeat, even in the most extreme circumstances. In short, Travis Walker was born to be the perfect soldier-the perfect killing machine. On his final tour to Afghanistan, a week before coming home, Travis was struck in the head by an enemy's sniper bullet; it left him clinging to life. By miracle he survived, but would never be the same. Afterwards he moved to Lake City, Colorado along with his beautiful wife to not only continue the healing process, but to start a new life. With less than four hundred living souls in this historically rich city, it made for a perfect secluded area to keep a man that was programmed to kill safely within his isolated cage. No one knew they had a walking time bomb living next door until the day the cage was left open. A record-breaking winter storm takes the city hostage, isolating the residents from the rest of the world in a blizzard-like prison. A perfect mixture of adultery, mistrust, and murder will unleash a terrible evil upon the city, hell-bent on wiping out an entire family, along with anyone who dares get in the way. But another force, a seemingly darker one, will simply be-hell-bent.

Brent Mason and Hayden Winstead can't stand each other. She plans exclusive parties for her rich family's charities. He's a rough and tumble cop who rigs explosives for a living. Could two people be any less suited for conversation? They think not and prefer to keep it that way. Unfortunately, their two best friends are deeply, disgustingly in love. Forced together, the mutual attraction simmering beneath the surface of Brent and Hayden's non-relationship grows with every

argument until it explodes into a scintillating night of mind-blowing sex. And it won't be the last, as far as Brent's concerned. Hayden has a secret, though. Her father's company is relying on a merger to save them from financial ruin, and only Hayden's marriage to the CEO's wealthy son can secure the deal. If she's to protect her family, she'll have to forget Brent. And he has no intention of being forgotten. Each book in the Line of Duty series is STANDALONE: * Protecting What's His * Officer Off Limits * Asking for Trouble * Staking His Claim * Protecting What's Theirs

Daniel Nash struggles to reconcile his feelings of betrayal with his desire to understand his life. His hopes of uncovering the secrets revealed in his father's journals are quickly dashed, and he works with a private investigator to discover the truth. Worry about his wife, Sarah, combines with his efforts to cope with his childhood trauma, an unexpected death, and the recent revelations. His obsession with the past threatens to destroy his stable life. Meanwhile, Sarah and her father, Tristan, continue to combat the lingering discord that developed between them years before but refuse to take their main focus from Daniel. As he reviews his biological father's efforts to be a good man, Daniel searches for a way to comprehend shocking disclosures. He questions his own goodness as he fights not to emotionally withdraw from those around him, especially the two people he knows will always love him, Sarah and Tristan.

Sometimes heroes fall and take their loved ones down with them. Colonel Michael Cedars and reporter Hope Shane fell in love in a war zone, but then the world blew up and splintered their lives in two. Coming home again isn't always easy. A Marine accustomed to giving orders, Michael struggles to find his role in civilian life. Wounded, he faces new battles as he learns to walk again, struggles with wartime ghosts, and questions his abilities as a husband. Hope doesn't give up-not on the man she loves and not on her pursuit of justice. An investigative reporter, she's hot on the trail of a human trafficking ring. Danger intensifies as she gets closer to the truth, but the human traffickers know her weakness. Will Michael become her Achilles Heel? Is he still the hero she married or has he become a liability that could get them both killed?

When Brad Sorenson crossed paths with Zoe O'Loughlin at a high school graduation party, the connection was undeniable. He noticed her when no one else did; she inspired him to want more out of life. But it would be years before they'd meet again...and in the most unlikely of places. Brad was looking for a good time online, not love. But Zoe was so sweet, so kind. Everything about her was perfect-until she fell in love with him. Zoe doesn't know why Brad left her standing in an airport; he won't return her calls or texts. With her self-esteem and dreams shattered, she can't imagine ever loving anyone else. When a single phone call changes Brad's life forever he wants just one thing: to make amends with the only woman that's ever mattered. Will his first love give him a second chance or will Zoe turn her back on love for good?

GENRE: CONTEMPORARY ROMANCE Book 1: Falling for the Billionaire Tiffany has left home with her best friend, Jackie, to pursue their dreams of becoming a model. The only thing they want in life is to make it in the competitive world of fashion. Yet Tiffany holds a secret close to her sleeve that may ruin her chances at ever making it. At a fashion party, her secret is put to the test when she meets Liam Cunningham. Having attended high school with him, he's the only one who could tell everyone her secret and ruin her shot at modeling. Things get complicated when Tiffany, instead of running from Liam, ends up getting closer to him. It grows

even more complicated when she discovers that Liam is a billionaire businessman with an international company. As Tiffany attempts to navigate the modeling world, her new waitressing job and her feelings for Liam, she discovers that not everything is as it seems. When Liam's jealous girlfriend sets her sights on Tiffany, she finds she must hold in for the ride of her life. Will Tiffany be able to work through the perils of loving a billionaire and sort out her feelings? Or will Liam's girlfriend bring it all crashing to the ground?

Book 2: Taking the Risk Things get complicated when Tiffany, a waitress and aspiring model, falls for Liam, a billionaire businessman. When Tiffany and Liam get into a fight, she vows him off forever but discovers that making promises to herself in regards to him are a lot harder to keep than she thought. Can the two of them make it work even though they are from different worlds or does Tiffany have her head in the clouds? After a tender moment with Liam at a charity event leads to an invite to his birthday party, Tiffany finds herself face to face with Liam's billions. Even though it overwhelms her, Tiffany knows she must make a choice to either be with Liam or give up her feelings on him. After deciding that she will put up with whatever she needs to in order to be happy with Liam, Tiffany is shortly put to the test. Liam's ex-girlfriend still has her sights on Tiffany and will do anything she can to get Liam back. But when Tiffany is betrayed by someone whom she thought was her closest confidant, will she be able to bounce back? Is being with a billionaire worth all of the hassle after all?

Book 3: Making It Work With Tiffany's secret out and in the open, she finds her chances at being a model quickly fading away. She goes to Liam for comfort but only finds more strife there. Liam's now ex-girlfriend is out for blood and will ruin his company if it means she doesn't get to have him. Torn between two worlds, Tiffany tries to tell herself that Liam will weather any storm that comes her way. But when it becomes clear that Liam wants the best of both worlds as well, Tiffany finds herself on her own, trying to make her life on her own terms. As she struggles to work hard and break into the modeling industry even with her secret out in the open, Tiffany finds it isn't that easy to get over a billionaire lover. She wants nothing more than to be back with Liam and head off into the sunset together. Yet Tiffany knows she must work on her personal growth first. Tiffany isn't sure if things will ever work out the way she has planned them. After a string of bad luck, will she ever get her happy ending? Or will Tiffany end up alone, pining for Liam for the rest of her life?

WARNING -This book contains BDSM- WARNING Abby Raines is leaving Las Vegas. She's trading the glitter and excess of her hometown for the rolling hills and lush forests of Rapid City, South Dakota. She's taken her first real job and she's determined to succeed on her own. Mark Marsten traded the Texas range for the Army Rangers years ago and never looked back. Now, he's settled permanently in Rapid City with the remaining members of his Special Forces unit. He thought he had it all, well almost anyway. Until a sassy redhead with a sharp tongue and body to die for rolled into town. Mark knows he's too much for her long-term, but he can't resist a fling with Rapid City's newest resident. He thought he knew the game. After all, it's his game. And always his rules. But more and more it feels like Abby is the one holding all the cards. Burnout is a series but each novel can stand alone on its own. You do not have to read Tex to enjoy the others. It is the only novel in the series with BDSM. If you don't like BDSM skip this one. Fair warning: the kink factor is extremely high.

Cassie Porter's family has always pushed her to be an agent for Veritas, the agency responsible for policing nearly all aspects of life for witches living side by side with "regulars." Mixed magick, a result of her mixed blood, leaves Cassie's power volatile. It's only by standing on her own that Cassie untangles her power, and Drew Carter, new to the magickal world, finds the world where he really belongs.

Samantha Daniels never knew what it took to be a private investigator. Besides getting nearly killed several times, kidnapped more than once, and new clients lining up the block, she managed to take on one big case that could make or break her career, literally. The only thing

was that she had to work with the guy who broke more than her heart. Alexander Conrad never imagined that he would see Sam again. After what he did to her long ago, he knew that she wouldn't want anything to do with him again. But, with a golden opportunity presenting itself, she had no choice but to work with him and he was going to take full advantage. Together, they worked to solve the case while worrying how to keep her alive long enough for him to claim what's his.

"A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.

When Edy Phelps falls hard for her best friend, she knows nothing can come from it. Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan Pradhan will grow up, marry the girl his parents select, and think nothing of his best friend: the dancer with the bursting smile. Except he can't. He won't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything seems promised while nothing at all is; when he's denied the girl he wants most. Two hearts. Two families devoted through generations of friendship. Could Edy and Hassan really risk all that? And yet ... how could they not?

When her flaky sister abruptly backs out of their surrogacy agreement, Ella McLeod is left with a newborn she's in no position to care for. She'll have to give the baby up for adoption. Enter Yevgeny Volkovoy--her sister's bossy billionaire brother-in-law. Yevgeny won't let a Volkovoy be raised by strangers; he wants custody now. How can Ella be so cold as to deny him? Even worse--why does this woman warm his steely heart? He may be staking his claim on the baby, but Ella may stake a counterclaim on his bachelorhood.

Will he ever find his love again or will she always just be a memory?

Beth Chambers' life is no fairytale, even if she feels like a damsel in distress. After four years in a destructive relationship, Beth has decided enough is enough and leaves her girlfriend, taking with her only her dog Dudley, her broken spirit, and a shattered view of life. At her lowest point, she meets Amy Fletcher, a woman who has it all--and whom she believes would never want more than friendship. But what Beth fails to realise is that there are definitely two sides to every story. Could Amy Fletcher be Beth's Princess Charming? Could her story end with a happily ever after?

The opportunity was just too damn delicious for Ginger Peet to pass up. The purse full of money she finds—\$50,000 to be exact—could give her and her teen sister the new start they need. So she grabs the cash, her gothy sibling, and their life-sized statue of Dolly Parton, and blows outta Nashville in a cloud of dust. Chicago, here we come... Turns out, Chicago has some pretty hot cops. Hot, intense, naughty-lookin' cops like Derek Tyler, who looks like he could eat a girl up and leave her begging for more. And more. Tempting as he is, getting involved with the sexy homicide lieutenant next door poses a teensy problem for a gal who's on the lam. But one thing is certain—Derek's onto her, and he wants more than just a taste. And as far as he's concerned, possession is nine-tenths of the law. Drew Maddox is a rough Private Investigator who believes what his eyes can see and his senses feel. He has very little use for imagination and flights of fantasy annoy him, yet when a naked woman suddenly appears on the road in front of his truck it sends his brain tumbling and his life into a spiral of myth he can barely comprehend. Pandimora wears her name well, causing her own flurries of Pandemonium just by existing. Born to a mother rumored to have the madness in her, Pandimora is different than most fairies in the Realm of Aiswyel. She has little regard for the incredible histories of her people, nor of the supposed rules. While not an outright rebel, she skirts the laws of Faerie propriety, but no more so than when she overhears a conversation her ears should never have found. A high elder, one of the strongest and most magical of her people has committed a crime - and now he knows that she has heard, and seen him. Pandimora has fled, but not before the elder, Lukais wraps his dark tentacles of power around her, poisoning her and barring the doors to her realm - forever. Hurt and grieving, Pandimora awakens on a snowy road - moments from being hit by Drew Maddox's fast moving truck. Her senses muddled, her powers muffled and her entire sense of self shaken, Pandimora reaches out to Drew in desperation, finding in him the young boy she once danced with in a field. With cord of attachment fully realized between them, Faerie magic is at play, pulling them both deep into a mire of intrigue and deceit - one that sets this unlikely pair against an entire realm of mystical beings with their own rules, trials and meanings. "Find Me" is Book One in the new Faeries Lost Trilogy - an epic journey into the center of the unknown and the hearts of two souls that can never be.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong,

confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

Homicide cop Troy Bennett had a reputation with the Chicago PD for being fearless and in control—until the night his daredevil partner is killed during a raid. From that moment on, he swears he'll never again be responsible for the loss of a loved one. To escape his demons, Troy transfers to the NYPD, bringing him up close and personal with Ruby Elliott, a beautiful, street-savvy pool hustler. Reckless and stubbornly independent, Ruby embodies everything Troy's avoiding, but when she walks into the pub he's at with his new coworkers and blows his carefully laid plans to hell, Troy knows he has to have her—risks be damned. But there's a connection between Ruby's shadowed past and a case Troy's working involving a notorious Brooklyn felon, throwing her safety into jeopardy. Confronted with his biggest fear, will Troy push Ruby away to keep her safe or fight to keep her in his arms where she belongs? An exciting prequel to the new Crossing the Line series!
