Pegged on journalist Sameer Arshad Khatlani's visit to Pakistan, this book provides insights into the country beyond what we already know about it. These include details on the impact of India's soft power, thanks to Bollywood, and the remnants of Pakistan's multireligious past, and how it frittered away advantages of impressive growth in the first three decades of its existence by embracing religious conservatism. The book profiles extraordinary people-lawyers, poets, musicians and even a former military chief-who stood up to an oppressive state. It has historical anecdotes, like the story of an ordinary woman who became the 'muse and mistress', and often the 'brains behind the regime of a swinging general' who led Pakistan to ignominy in the 1971 war, that of a Sikh family which dared to swim against the tide to stay back in Pakistan after Partition, and a prostitute's son who uses his art to humanize commercial sex workers in defiance of a conservative society. The book attempts to present a contemporary

portrait of Pakistan-where prohibition remains only on paper and one of the biggest taxpayers is a Parsee-owned brewery-as a complicated and conflicted country suspended between tradition and modernity.

Now available in a new edition, this book explores Hieronymus Bosch's masterpiece Garden of Earthly Delights. Few paintings inspire the kind of intense study and speculation as Garden of Earthly Delights, the world-famous triptych by Netherlandish master Hieronymus Bosch. The painting has been interpreted as a heretical masterpiece, an opulent illustration of the Creation, and a premonition of the end of the world. In this book, renowned art historian Hans Belting offers a radical reinterpretation of the work, which he sees not as apocalyptic but utopian, portraying how the world would exist had the Fall not happened. Taking readers through each panel, Belting discusses various schools of thought and explores Bosch's life and times. This fascinating study is an important contribution to the literature and theory surrounding

A powerful true story about a Muslim doctor's service to small-town America and the hope of overcoming our country's climate of hostility and fear. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY In 2013, Ayaz Virji left a comfortable job at an East Coast hospital and moved to a town of 1,400 in Minnesota, feeling called to address the shortage of doctors in rural America. But in 2016, this decision was tested when the reliably blue, working-class county swung for Donald Trump. Virji watched in horror as his children faced anti-Muslim remarks at school and some of his most loyal patients began questioning whether he belonged in the community. Virji wanted out. But in 2017, just as he was lining up a job in Dubai, a local pastor invited him to speak at her church and address misconceptions about what Muslims practice and believe.

That invitation has grown into a well-attended lecture series that has changed hearts and minds across the state, while giving Virji a new vocation that he never would have expected. In *Love Thy Neighbor*, Virji relates this story in a gripping, unforgettable narrative that shows the human consequences of our toxic politics, the power of faith and personal conviction, and the potential for a renewal of understanding in America's heartland.

treating especially of love. Everywhere the subject is dealt with differently, and from various points of view. In the present publication it is proposed to give a complete translation of what is considered the standard work on love in Sanscrit literature, and which is called the 'Vatsyayana Kama Sutra, ' or Aphorisms on Love, by Vatsyayana. The rough English translation of Kamasutra is pleasure (kama) treatise (sutra). In the West, since it was first (rather surreptitiously) translated and published back in 1883, the book has generally been associated with a series of beautiful, ancient illustrations of a couple determinedly coupling in a variety of fascinating and often utterly improbable positions; as essentially the erotic counterpart to the ascetic asanas of yoga
