NOTE: Used books, rentals, and purchases made outside of Pearson If purchasing or renting
from companies other than Pearson, the access codes for the Enhanced Pearson eText may
not be included, may be incorrect, or may be previously redeemed. Check with the seller
before completing your purchase. This package includes the Enhanced Pearson eText and the
bound book. The best-selling case-based text, Introduction to Teaching: Becoming a
Professional, sharpens its focus on issues in education in its Fifth Edition. Weaving this focus
throughout every chapter with new features and chapter sections covering diversity, reform,
urban education, and technology, the text ensures that prospective teachers gather all the
needed information to create an up-to-date picture of the ever changing face of education. The
authors take this information and bring it to life with cases, classroom examples and videos,
again ensuring that the living, changing, challenging and fulfilling life of an educator is as clear
as it can be. The Enhanced Pearson eText features embedded video. Improve mastery and
retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich,
interactive learning environment designed to improve student mastery of content. The
Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were
developed by the authors and other subject-matter experts to deepen and enrich the learning
experience. Convenient. Enjoy instant online access from your computer or download the
Pearson eText App to read on or offline on your iPad® and Android® tablet.* Affordable. The
Enhanced Pearson eText may be purchased stand-alone or with a loose-leaf version of the
text for 40-65% less than a print bound book. * The Enhanced eText features are only
available in the Pearson eText format. They are not available in third-party eTexts or
downloads. *The Pearson eText App is available on Google Play and in the App Store. It
requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later.

A complete teaching guide that contains for each chapter: chapter outlines and
overviews, common misconceptions, critical thinking questions, enrichment topics,
learning objectives, lecture suggestions, key term lists, and a bibliography with
additional print, multimedia, and Internet resources. Also 75 test questions for each
chapter in a variety of formats. About 250 pages.
