A young reporter on assignment is attacked and bitten by an unknown beast in rural Northern California and begins a terrifying but seductive transformation into a being with a dual nature, both man and wolf.

The Edgar Award–winning author of *Never Trust a Dead Man* puts a terrifying spin on what should be a typical night in a small town. Sixteen-year-old Kerry has got a tough night ahead of her. What begins as a simple lost-and-found trip to the laundromat to rescue her little brother’s stuffed koala bear turns into a nightmarish odyssey of murder, vampires, and—quite possibly—true love. “Interview with a Vampire for the learner’s permit set.” —The Horn Book “A freshly written thriller, an offbeat love story, an engaging twist on the vampire novel, and an exciting tale of moral complexity . . . Point [this] book at the Lois Duncan fans as well as Anne Rice followers, and get out of the way.” —The Bulletin “[Vande Velde] is a master at taking traditional fairy-tale-like themes and making them fresh and totally unique. *Companions of the Night* . . . does that for the vampire story . . . The narrative is tightly wound, keeping readers ready for excitement and action.” —Emma Carbone, New York Public Library

Anne Rice, creator of the Vampire Lestat, the Mayfair witches and the amazing worlds they inhabit, now gives us the first in a new series of novels linked together by the fledgling vampire David Talbot, who has set out to become a chronicler of his fellow Undead. The novel opens in present-day Paris in a crowded café, where David meets Pandora. She is two thousand years old, a Child of the Millennia, the first vampire ever made by the great Marius. David persuades her to tell the story of her life. Pandora begins, reluctantly at first and then with increasing passion, to recount her mesmerizing tale, which takes us through the ages, from Imperial Rome to eighteenth-century France to twentieth-century Paris and New Orleans. She carries us back to her mortal girlhood in the world of Caesar Augustus, a world chronicled by Ovid and Petronius. This is where Pandora meets and falls in love with the handsome, charismatic, lighthearted, still-mortal Marius. This is the Rome she is forced to flee in fear of assassination by conspirators plotting to take over the city. And we follow her to the exotic port of Antioch, where she is destined to be reunited with Marius, now immortal and haunted by his vampire nature, who will bestow on her the Dark Gift as they set out on the fraught and fantastic adventure of their two turbulent centuries together. The Vampire Chronicles continue with Anne Rice’s spellbinding new novel, in which the great vampire Marius returns. The golden-haired Marius, true Child of the Millennia, once mentor to The Vampire Lestat, always and forever the conscientious foe of the Evil Doer, reveals in his own intense yet intimate voice the secrets of his two-thousand-year existence. Once a proud Senator in Imperial Rome, kidnapped and made a “blood god” by the Druids, Marius becomes the embittered protector of Akasha and Enkil, Queen and King of the vampires, in whom the core of the supernatural race resides. We follow him through his heartbreaking abandonment of the vampire Pandora. Through him we see the fall of pagan Rome to the Emperor Constantine and the horrific sack of the Eternal City itself at the hands of the Visigoths. Bravely, Marius seeks a new civilization in the midst of glittering Constantinople, only to meet with the blood drinker Eudoxia. We see him ultimately returning to his beloved Italy, where after the horrors of the Black Death, he is restored by the beauty of the Renaissance. We see him become a painter living dangerously yet happily among mortals, giving his heart to the great Botticelli, to the bewitching courtesan Bianca, and to the mysterious young apprentice Armand. Moving from Rome to

Florence, Venice, and Dresden, and to the English castle of the secret scholarly order of the Talamasca, the novel reaches its dramatic finale in our own time, deep in the jungle where Marius, having told his life story, seeks some measure of justice from the oldest vampires in the world.

A woman commits suicide for no apparent reason. A week later, her son—beautiful, troubled fifteen-year-old Mark Underhill—vanishes from the face of the earth. To his uncle, horror novelist Timothy Underhill, Mark's inexplicable absence feels like a second death. After his sister-in-law's funeral, Tim searches his hometown of Millhaven for clues that might help him unravel this mystery of death and disappearance. He soon learns that a pedophilic murderer is on the loose in the vicinity, and that shortly before his mother's suicide Mark had become obsessed with an abandoned house where he imagined the killer might have taken refuge. No mere empty building, the house on Michigan Street whispers from attic to basement with the echoes of a long-hidden true-life horror story, and Tim Underhill comes to fear that in investigating its unspeakable history, Mark stumbled across its last and greatest secret: a ghostly lost girl who may have coaxed the needy, suggestible boy into her mysterious domain. With lost boy lost girl, Peter Straub affirms once again that he is the master of literary horror.

Here are all of the brilliantly conceived Anne Rice characters that make up these two worlds of vampires and witches—Mona Mayfair, who's come to *Blackwood Farm* to die and is brought into the realm of the undead—her uncle, Julian Mayfair, guardian of the family, determined to forever torment Lestat because of what he has done to Mona—Rowan Mayfair, brilliant neurosurgeon, a true witch, a woman who attracts spirits to herself, casts spells on others and finds herself dangerously drawn to the undead and all-powerful Lestat—her husband, Michael Curry, hero of the *Mayfair Chronicles*, who seeks Lestat's help with the temporary madness of his wife—Ash Templeton, a 5,000 year old Taltos, whose genes live on in the Mayfairs, who has taken Mona's child—Patsy, a country-western singer, killed by Quinn Blackwood and dumped in a swamp, who returns as a ghost to avenge her own death—and at the book's centre - the Vampire Lestat, once the epitome of evil, now following the transformation set in motion with *Memnoch the Devil*, struggling with his vampiredom, yearning for goodness

and purity and love as he saves Patsy's ghost from the dark realm of the Earthbound, uncovers the mystery of the Taltos, and unselfishly decides the fate of his beloved Rowan Mayfair. This latest vampire novel will delight all Anne Rice fans.

In this spellbinding novel, Lestat, rebel outlaw, addresses the tribe of vampires, telling us the mesmerizing story of how he became prince of the vampire world, and of the formation of the Blood Communion, and how his vision for the Children of the Universe to thrive as one, came to be. Lestat takes us from his ancestral castle in the snow-covered mountains of France to the verdant wilds of lush Louisiana, with its lingering fragrances of magnolias and night jasmine; from the far reaches of the Pacific's untouched islands to the 18th-century city of St. Petersburg and the court of the Empress Catherine. He speaks of his fierce battle of wits and words with the mysterious Rhoshamandes, proud Child of the Millennia, reviled outcast for his senseless slaughter of the legendary ancient vampire Maharet, avowed enemy of Queen Akasha, who refuses to live in harmony at court and who threatens all Lestat has dreamt of . . .

In her new novel, perennial bestseller Anne Rice fuses her two uniquely seductive strains of narrative -- her Vampire legend and her lore of the Mayfair witches -- to give us a world of classic deep-south luxury and ancestral secrets. Welcome to Blackwood Farm: soaring white columns, spacious drawing rooms, bright, sun-drenched gardens, and a dark strip of the dense Sugar Devil Swamp. doppelgänger, “Goblin,” a spirit from a dream world that Quinn can’t escape and that prevents him from belonging anywhere. When Quinn is made a Vampire, losing all that is rightfully his and gaining an unwanted immortality, his doppelgänger becomes even more vampiric and terrifying than Quinn himself. As the novel moves backwards and forwards in time, from Quinn’s boyhood on Blackwood Farm to present day New Orleans, from ancient Athens to 19th-century Naples, Quinn seeks out the legendary Vampire Lestat in the hope of freeing himself from the spectre that draws him inexorably back to Sugar Devil Swamp and the explosive secrets it holds. A story of youth and promise, of loss and the search for love, of secrets and destiny, Blackwood Farm is Anne Rice at her mesmerizing best. THE VAMPIRE WORLD IS IN CRISIS . . . Old vampires, roused from deep slumber in the earth, are doing the bidding of a Voice commanding that they indiscriminately burn their kin in cities across the globe, from Paris to Mumbai, Hong Kong to San Francisco. Left with little time to spare, a host of familiar characters including Louis de Pointe du Lac, Armand, and even the vampire Lestat, must embark on a journey to discover who—or what—is driving this mysterious being.

From Anne Rice, conjurer of the beloved best sellers Interview with the Vampire and Prince Lestat, an ambitious and exhilarating new novel of utopian vision and power "In my dreams, I saw a city fall into the sea. I heard the cries of thousands. I saw flames that outshone the lamps of heaven. And all the world was shaken . . ."

--Anne Rice, Prince Lestat and the Realms of Atlantis At the novel's center: the vampire Lestat de Lioncourt, hero, leader, inspirer, irresistible force, irrepressible spirit, battling (and ultimately reconciling with) a strange otherworldly form that has somehow taken possession of Lestat's undead body and soul. This ancient and mysterious power and unearthly spirit of vampire lore has all the force, history, and insidious reach of the unknowable Universe. It is through this spirit, previously considered benign for thousands of vampire years and throughout the Vampire Chronicles, that we come to be told the hypnotic tale of a great sea power of ancient times; a mysterious heaven on earth situated on a boundless continent--and of how and why, and in what manner and with what far-reaching purpose, this force came to build and rule the great legendary empire of centuries ago that thrived in the Atlantic Ocean. And as we learn of the mighty, far-reaching powers and perfections of this lost kingdom of Atalantaya, the lost realms of Atlantis, we come to understand its secrets, and how and why the vampire Lestat, indeed all the vampires, must reckon so many millennia later with the terrifying force of this ageless, all-powerful Atalantaya

In this mesmerizing new novel, Anne Rice demonstrates once again her gift for spellbinding storytelling and the creation of myth and magic, as she weaves together two of her most compelling worlds? those of the Vampire Chronicles and the Mayfair witches.

With Pandora, Anne Rice began a magnificent new series of vampire novels. Now, in the second of her New Tales of the Vampires, she tells the mesmerizing story of Vittorio, a vampire in the Italian Age of Gold. Educated in the Florence of Cosimo de' Medici, trained in knighthood at his father's mountaintop castle, Vittorio inhabits a world of courtly splendor and country pleasures--a world suddenly threatened when his entire family is confronted by an unholy power. In the midst of this upheaval, Vittorio is seduced by the vampire Ursula, the most beautiful of his supernatural enemies. As he sets out in pursuit of vengeance, entering the nightmarish Court of the Ruby Grail, increasingly more enchanted (and confused) by his love for the mysterious Ursula, he finds himself facing demonic adversaries, war and political intrigue. Against a backdrop of the wonders--both sacred and profane--and the beauty and ferocity of Renaissance Italy, Anne Rice creates a passionate and tragic legend of doomed young love and lost innocence.
