SHIFT.2 continues the 2019 project that explores the wandering hazard and the synchronous event as creative mechanisms for realizing the significance of the photographic image, materialized in a path consisting of quasi-random physical landmarks, which become nodal points of the technological image impression. Touching the visual intelligible, the result oscillates between the technological qualitative precision and the expressive magnitude of the photographic error, by the progressive alteration of the nature of the images taken along the proposed route.

When life presents problems, all a heroine really wants is an answer key to fix them. Shannon Waller lives a paycheck-to-paycheck existence in far north Montana. A missing husband. Not even a pet. Alone. Suddenly life hands her the kind of money she only dreams of—an amount that starts with a B. A move to Ithaca, New York and into a home she inherits plus new friends—what more can she ask for? Private investigator Michael Silver is determined to find out who might want to kill Shannon. While his life seems safe, hers is one ‘accident’ after another, each hurting her worse. When a bullet barely misses Shannon, she and Michael have to discover who, what and why she’s a target for murder. And do it fast before the next attempt succeeds!

Excerpt from Teamwork for Employment and Management Act of 1995: Hearing of the Committee on Labor and Human Resources United States Senate, One Hundred Fourth Congress, First Session, Permitting Labor Management Cooperative Efforts That Improve America's Economic Competitiveness to Continue to Thrive, and for Other Pu There are going to be other Senators coming - I am not going to be the only one here - but Senator Kennedy has said please go ahead and start. He is on his way, as are other Senators. Before I call the first witnesses, let me just give an opening statement which will give a little background on the legislation that we are going to be discussing today. We are going to be hearing testimony on the cutting edge of human resource practices. It is always hard for us to begin to think anew of ways that we can work in the workplace or work in the Congress; we have a hard enough time just thinking about ways to change our committees. But I think that if we really want to get ahead and make a constructive effort wherever we are, that we have to be willin to think anew.
