

Lucifer Fire From Heaven Book 1

Lucifer has lost everything: his power, his lover, and his newborn child. After making a deal with the devil, Lucifer finds himself back on Earth. Alone and desperate, he must achieve the impossible to free Gabriel from the pits of Hell. But retrieving all of Hell's escaped souls will take years, leaving the love of Lucifer's immortal life in the torturous hands of his worst enemy, which for once isn't his arch nemesis, the archangel Michael. Though Michael has his own agenda and plans to combat the threat Lucifer will pose while on Earth, the secret he keeps is more dangerous. It will one day force him to kill a being so pure and innocent it could ruin him if he succeeds-and destroy Heaven if he fails. So many obstacles stand in Lucifer's way, but to pull off the impossible, old enemies must unite...and they will need to turn on their maker to save what they both love. This time, there is more than love to fight for and lose. If Hell reigns, Heaven will fall to ruin and darkness will descend upon them all.

Lucifer, the Anointed Cherub, whose ministry in heaven is devoted to the worship of the Most High God, has become pessimistic about his prospects in heaven. Ambition inflamed, he looks to the soon-to-be-created Earth as a place where he can see his destiny realized. With a willing crew of equally ambitious angels, Lucifer creates a fifth-column of malcontents under the very throne of God. Hot on their heels, however, is a group of loyalists, led by Michael and Gabriel, who are suspicious of Lucifer's true motives. In detective style fashion they slowly start to unmask the true nature of Lucifer's sordid plot. Chronicles of the Host is a fantastic novel of the beginning of all things. Follow Lucifer's deceptive plans to rule over Earth and his inevitable fall from grace.

Evelyn thought she was ready for anything. After a stint in the military, she was finally about to finish college when the Devil showed up. Yeah, that Devil. Lucifer. The King of Hell. So, of-freaking-course, she did what anyone else would do if Lucifer showed up. She shot him. And then he almost died. Almost. Lucifer had it all, a super high-end liquor collection, powerful connections, and more power than the entirely Heavenly Host, but the one thing he didn't have was love. And he didn't think he needed it until Evelyn shot him in the stomach and nearly killed him. Now, in order to find out how she did it, he'll have to break his number one rule. Never get emotionally involved with humans.

Eons ago, the Devil fell from grace. Now, he might be falling for her. Grace Celestin is no stranger to sin. Working in a dive bar on Bourbon Street will expose a girl to a lot of nastiness. But when a disturbing prophecy leaves her with more questions than answers, the only man who can provide them is more than just a little sinful. He's Lucifer, the Devil himself. Luckily, the Devil's in New Orleans-Hell's on hiatus and the tide of damned souls has dried up, leaving him between jobs. From the moment he bumps into Grace Celestin, however, he thinks he may have found a new one. She's being hunted, and not even voodoo can keep rogue angels off her trail. More intriguing still is the fact that Grace isn't just beautiful-it's that unlike every other human who's ever lived, Lucifer can't read her soul. And if he wants answers, and his throne back, he's going to have to help her get some answers of her own. For the first time since he fell, the Devil has been drawn to the light. And Grace, despite all she knows, finds herself tempted by the darkness.

We've all heard the story of the Four Horsemen. Harbingers of the apocalypse. Destruction given form. Four of the sexiest-wait no-forget that. You get my point. So imagine my surprise when I find out everything I've ever been told, is a lie. But we're getting ahead of ourselves here. Let's start from the beginning. My name is Ruby Morningstar. I run a tattoo parlor in

Portland with my bestfriend, have a pet raccoon, a crazy ex that stalks me, not to mention this one little thing... I'm a demon. Half-succubus, to be exact. For the last twenty-three years of my life, that's the story I believed, but on the day a handsome stranger bails me out of jail, my world is turned upside down, and suddenly I don't know who I am anymore. Because the Four Horsemen aren't the bringers of the apocalypse. I am. Talk about never catching a break. Jesus Christ warned us about Satan when we were in a previous universe. That He would create a creature called Lucifer in Genesis & who would end up being called the dragon in Revelation. So Jesus created this universe & He mixed our Sanctified Angels who existed in a previous universe with Lucifers angels. Sheep & goats were mixed together in heaven, just like Sheep and goats are mixed up together on this earth today. Jesus created Lucifer and there were good times in heaven for a while, when Lucifer the most beautiful angel Jesus created was the highpriest, governor & prophet of God. Job 38:7" When the morning stars sang together, and all the sons of God shouted for joy?" Then God says that a political sea came out of Lucifer, from his womb & God contained it with a swaddlingband of darkness, meaning that Satan and his angels will never come out of darkness & never see the Truth or Light. Job 38:8" Or who shut up the sea {political sea} with doors, when it brake forth, as if it had issued out of the womb? 9: When I made the cloud the garment thereof, and thick darkness a swaddlingband for it. 11: And said, Hitherto shalt thou come, but no further: and here shall thy proud waves be stayed?" So we see that it was pride that the political sea of Satans heart was set upon. Now what happened was Lucifer started to wheel and deal in heaven and as a highpriest fell to filthy lucre. Just like we have seen spectacular falls of televangelists with money on earth, Satan the highpriest fell to money in heaven & started to lie and use violence to get things from the other Angels. So Lucifer's church's fell. Ezekiel 28:15-16 . It goes on to say that Lucifer was too ashamed to repent because he was too beautiful- his beauty defiled his wisdom. He decided to fight God thus the second verse in Genesis became true, chaos and darkness engulfed heaven and earth. Isaiah 14:12 " How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13: For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14: I will ascend above the heights of the clouds; I will be like the most High. 15: Yet thou shalt be brought down to hell, to the sides of the pit." People in hell looked upon Satan in hell- Isaiah 14:9" Hell from beneath is moved for thee to meet thee at thy coming: it stirreth up the dead for thee, even all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations." 18: " All the kings of the nations even all of them, lie in glory (there is no fire in hell to lie in glory) every one in his own house." (Satan and his demons are beat up and kicked out of hell) 19: But thou are cast out of thy grave like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcasse trodden under feet. 20: Thou shalt not be joined with them in burial, because thou hast destroyed thy land, and slain thy people: the seed of evildoers shall never be renowned." So Satan was kicked out of heaven to the earth, kicked off the earth to hell, kicked out of hell into the bottomless pit, kicked out of the bottomless pit to earth universe again, then finally kicked into the Lake of fire forever in Revelation. Satan was cursed as the snake in Genesis to crawl on his belly and eat dust all the days of his life. What that means is that he was cursed to always do low down dirty things, crawl on his belly like pedophilia to fight the Church etc, etc, he was also cursed to eat dust, meaning he will eat frustration all the days of his life, no matter whatever he tried, he will always be frustrated, eat dust. Satan has never been to hell. And when he gets there he wont rule it. They beat him up and kicked him out. Jesus destroyed Satan's government on this earth.

Disclaimer: This series is a continuation of my Watcher series of books. You need to have read the following series (in this order) to understand what is happening in this story: The Watchers

Trilogy, The Watcher Chronicles, and Caylin's Story. Please be advised that this series will contain sexual situations of a mature nature. If I were to rate this series like a movie, I would rate it 'R'. Anna's quest for answers about her future propels her to follow Lucifer down the veritable rabbit hole. During her foolhardy expedition, she discovers the truth about Lucifer's domain and the truth about Lucifer himself. She learns more about her parents' forbidden romance from Lucifer's perspective, and comes to understand that the tie that bonds two souls together can't even be broken by death itself. All her life, Anna has lived with the knowledge that her mother chose to die in order to give her a chance to live. Being the recipient of such unselfish love and sacrifice, lays a heavy burden on Anna's heart to make her mother proud. Anna and the other Watchers soon uncover Lucifer's master plan to prevent her from obtaining anymore of the seals. She also discovers what the seals will ultimately do to not only her body but also her soul. Armed with this knowledge, Anna can only discern two possible motives for Lucifer's actions. Either he is simply protecting her the only way he knows how, or he wants to retain his power on Earth and ensure his daughter never stakes claim to her birthright. In the end, neither reason is good enough to prevent Anna from completing her God given mission to obtain the seven seals and return them to Heaven. Even though Anna can feel the seals begin to change her, her commitment to retrieve them remains unwavering. Only time can reveal if Anna is strong enough to master the power of the seals or if they will ultimately master her. "A fiendishly sharp, intelligent examination of modern human life that is as funny as hell" (The Times, London). The end is nigh and the Prince of Darkness has just been offered one hell of a deal: reentry into Heaven for eternity—if he can live out a well-behaved life in a human body on earth. It's the ultimate case of trying without buying and, despite the limitations of the human body in question (previous owner one suicidally unsuccessful writer, Deelan Gunn), Luce seizes the opportunity to run riot through the realm of the senses. This is his chance to straighten the biblical record (Adam, it's hinted, was a misguided variation on the Eve design), to celebrate his favorite achievements (everything from the Inquisition to Elton John), and, most important, to get Julia Roberts attached to his screenplay. But the experience of walking among us isn't what His Majesty expected: instead of teaching us what it's like to be him, Lucifer finds himself understanding what it's like to be us. By an author hailed by the The Times Literary Supplement as one of Britain's top twenty young novelists, I, Lucifer is "a masterpiece . . . Startlingly witty, original and beautifully written" (Good Book Guide). "Duncan's witty and perverse, yet somehow life-affirming, Lucifer is powerful indeed." —Booklist

Remember the white feathers. Remember the thorns. Hell leaves scars, even on the Devil. And when a human gets a glimpse into the Pit, they're changed in a way that can't be undone. Even by love. The gates to Hell are finally locked, but it's too little, too late. When Lucifer's bloody past is thrown into their present, he does the only thing he can think of to protect his newfound family. He walks away. There's always another infernal creature to hunt in the streets of the Crescent City. Always another crisis. When Lucifer's absence triggers a chain of events with devastating consequences, it's Grace who pays the price this time. Escape seems impossible, and deals with the Devil are the least of Grace's fears now. The only path to freedom requires the help of a sworn enemy, and beneath it all, Grace is changing. He lit the stars, and she is his sun. But what happens when that light goes dark? Warning: Grace contains dark themes and adult content and is recommended for readers age 18+.

His rebellion will change every single creature in The Realm...forever.

Ezekiel 28: 13-19 says that Lucifer was in Eden: "Every precious stone was thy covering the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and the gold: the workmanship of thy tablets and of thy pipes was prepared in thee in the day that thou was created. It also says that Lucifer was the anointed cherub." This means that she was second to God. Lucifer was the prettiest angel that God created because she was his wife.

An angel falls, A phoenix rises. The words "I've been through Hell" are usually just a figure of speech. For Phenex, they're all too literal. As the devil's right hand, he spent eons in the Pit, but when a witch with a vendetta against all angels - Fallen or otherwise - snares him Phenex learns that Hell is very different from the other side. Time flows more quickly in the underworld, and too many years of torment in darkness and silence have turned Phenex into something unrecognizable. Something broken. Luckily for him, he has an angel on his side. Caila. The only bright spot in the perpetual darkness, and the only thing holding the fragile strands of Phenex's sanity together. With no one but each other, old loyalties and grudges are forgotten as something deeper begins to grow. Bonds forged in the fire are always the strongest. The Devil never forgets his own, but escaping Hell doesn't mean the worst is over. The lines between the worlds are blurring, and the darkest creatures from humanity's nightmares are awakening. Hell brought them together. Hell ripped them apart. And Hell is still waiting. Warning: Phenex contains dark themes and adult content and is recommended for readers age 18+.

The Third Heaven: The Rise of Fallen Stars is book one of a four part series that explores the

fascinating story of the Fall of Lucifer.

I'm the only one who can save the devil from himself. Lucifer broke the curse. He unlocked my true self. Then he sacrificed everything to protect our family. I'm going to save him somehow...even if I have to kill him. The apocalypse is imminent. Pestilence and War have been freed. Famine is coming, and Death will soon follow. But I'm the Demon Queen, and there will be Heaven and Hell to pay before I let our enemies win. Hannah and Lucifer's story reaches an epic conclusion in the final book in the Claimed By Lucifer trilogy!?

For someone with a soul as dark as mine, there's only one person who can bring light back into my world... Lucifer When Amalie walked into my life, I thought for sure my Father was trying to trick me yet again. Wasn't it enough that He cast me out of Heaven and forced me to live among the humans? Now, He's dangling the promise of a soulmate in front of my face hoping for... what? That I'll give up my quest to destroy humanity once and for all? That I'll miraculously find my true self again? He only has Himself to blame for the monster I've become and the destruction I've caused. If He thinks bringing this girl into my life will halt everything I've worked so hard to achieve, it just proves He doesn't know me at all. Yet, I can't ignore the undeniable attraction I feel for the latest of Lilly's descendants. Of course she's beautiful. That's a given. But there's something in her eyes, an innocence and strength, that draws me to her, wanting to discover more about her, causing me to desire to make her mine. Amalie I never thought wishes could come true, but the moment I saw Lucifer I knew mine had finally been granted. I come from a long line of strong women who have dedicated their lives to a singular purpose: defeating the forces of evil in order to protect the universe from their influence. Having my soul paired with Lucifer's seems like a cosmic calamity, but there's something in his eyes when he looks at me. I can see his desire to be accepted for who he is by someone who won't judge him for his past deeds. Am I the one meant to lead his life down a different path? Can my love help Lucifer remember the angel he once was before his fall from Grace? I don't have the answers to those questions, but my heart tells me our love will be everlasting and strong enough to change a soul ravaged by hatred and loneliness for far too long. This is a part of my Watcher series of books. Minimum reading for this story is The Redemption Series (Malcolm, Anna, Lucifer, and Redemption).

My name is Lucifer and I was first... ..and, yes, I am that Lucifer. Fall from Heaven, Prince of Darkness, ruler of Hell, Satan, the Devil, the Adversary, and a thousand other names. Your book leaves out some key elements. I think it's time to tell my side of the story. From the very beginning. I should know: I was the beginning. Before me was the Father and before the Father there was nothing. Forget what you think you know. You've never heard this story before—not from me. Others have tried. None of them got it right. No one seems to understand my motivations. See, I don't want you. I've never wanted you. I want Him. Everyone else is just in the way...

In the beginning... Three brothers – Gabriel, Michael and Lucifer. Royalty. Archangels. United in devotion to their father and all his works. But when Lucifer learns of their father's latest creation – a new race, fashioned from crude matter and yet made in his image – he is consumed with resentment. Why have he and his angelic kind been overlooked? After a bitter confrontation, Lucifer is cast out, doomed to an eternity of exile and punishment. Unrepentant, he vows he won't suffer alone. Mankind has made a powerful enemy – one determined to lure it into darkness and torment any way he can... “There could be no bigger canvas for film-making.” – Mark Ordesky (Executive Producer – Lord of the Rings); “Alec not only re-frames pre-history; she also imaginatively illustrates how the realm of spirit impacts the contemporary material world.” Ileen Maisel (Executive Producer for the Golden Compass) “This is the best work of fiction I have read since the last installment of Dean Koontz' Frankenstein series” Jim McDonald – 1340Mag – Online Entertainment Magazine.

The two brothers must cooperate to complete an impossible task and avoid being cast forever into the abyss. As Keegan and Aidan work to save themselves, questions arise. What exactly was the King of Fire up to, that sparked their Master's interest enough to cast them from the Demon Realm? Can Aidan be trusted in his new human form, complete with emotions, or is he the same unfeeling creature he's always been? And why are so many demons suddenly invested in the outcome of the brothers' trial? The only thing Keegan knows for certain is that whether he succeeds or fails at the task, the consequences for the Demon Realm and for Earth itself will be catastrophic.
