Slowly, silently, now the moon
Walks the night in her silver shoon;
This way, and that, she peers,
and sees Silver fruit
upon silver trees;
One spring evening, the fairies
gather in the woods.
Two sleepy children join
in the parade to a
wonderful, dream-like
fairy party. Illustrated
by bright new talent,
Carolina Rabei, this
Walter de la Mare poem
is brought to life with
shimmery, ethereal
illustrations, making
it the perfect book for
bedtime. One of four
seasonal Walter de la
Mare picture books
that form a set, each
with complementing
colour palates and
illustrations by rising
young star Carolina.
