Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language.

LINUX OPERATIONS AND ADMINISTRATION introduces readers to Linux operations and system administration through a unified installation, using virtual machines. This text is more effective than those that take a professional approach because it eliminates confusion from working with differing hardware configurations, while allowing users to test interoperability between Linux and Windows. Detailed, yet reader-friendly, Linux Operations and Administration makes it easy to learn Linux and practice it with helpful in-text features like learning objectives and key terms, as well as items for self assessment such as review questions, hands-on activities, and case projects. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Hecht brings to bear the perspective of both historical concepts and contemporary physics. While the text covers the standard range of material from kinematics to quantum physics, Hecht has carefully limited the math required to basic calculus and very basic vector analysis. He omits obscure, high-level topics while focusing on helping students understand the fundamental concepts of modern-day physics. Calculus and vector analysis are both painstakingly developed as tools, and then used only insofar as they illuminate the physics. Hecht deliberately paces comfortably, justifies where each topic is going, stops to take stock of where the students have been, and points out the marvelous unity of the discourse. Informed by a 20th century perspective and a commitment to providing a conceptual overview of the discipline, Hecht's CALCULUS 2/e keeps students involved and focused.

From New York Times Bestseller Mimi Jean Pamfiloff comes SMART TASS, a new Romantic Comedy. He's the hot college quarterback all the girls want. She's the smart girl he loves to pick on. And now that they're all grown up, things are about to get geekin' ugly. My name is Tass. I'm smart, I'm driven, and I am determined not to let prankster Hunter Johnson continue raining on my parade. When we were little, he'd pull my hair and call me names. When we were teenagers, he'd throw food and tease me for being a flat-chested virgin. But now that we've ended up at the same college, he's out of his hot head if he thinks he can keep messing with my life. It's like he's fixated on me or something. Well, guess what, Mr. Amaze football? I'm not that geeky little girl anymore and you do not screw with a smart woman. So what's my plan? It's definitely wild, and he's about to find out.

Includes supplements called Statistical section and annual issue called Midyear forecast.

B.B.U.S.A. Leo, an ordinary Realtor in Boise, Idaho, is suddenly thrust into the role of decoy for his family and avenger of the murder of his business partner, Tim. Leo receives a mysterious flash drive in the mail from Tim after his death. The B.B.U.S.A. Organization fears that Leo knows too much. Leo seeks assistance from his best friend, Major Doug Corrigan, in an attempt to break the password on the flash drive which may be the only thing that will keep him and his family alive. The novel is action packed, and follows Leo and Doug as they desperately try to stay one step ahead of the B.B.U.S.A. From the west coast of the United States to the west coast of southern Africa, Leo and his family experience extraordinary highs and lows. The characters come alive in this vivid portrayal of courage, endurance, friendship and love. From beautiful descriptions of the harsh Namib Desert, to refreshing scenery in the rugged central Idaho wilderness area, this novel will leave you breathless with a sense of adventure, a feeling for the characters, and a thrill of excitement. The B.B.U.S.A. cannot fail. Too much is at stake. They will stop at nothing. Who can Leo trust, and on which side is the handsome Romanian? Leo once considered Florin as a brother, but can he trust him with his life?

This book is dedicated to Aristid Lindenmayer on the occasion of his 60th birthday on November 17, 1985. Contributions range from mathematics and theoretical computer science to biology. Aristid Lindenmayer introduced language-theoretic models for developmental biology in 1968. Since then the models have been customarily referred to as L systems. Lindenmayer's invention turned out to be one of the most beautiful examples of interdisciplinary science: work in one area (developmental biology) induces most fruitful ideas in other areas (theory of formal languages and automata, and formal power series). As evident from the articles and references in this book, the interest in L systems is continuously growing. For newcomers the first contact with L systems usually happens via the most basic class of L systems, namely, DOL systems. Here "0" stands for zero context between developing cells. It has been a major typographical problem that printers are unable to distinguish between 0 (zero) and o (oh). Thus, DOL was almost always printed with "oh" rather than "zero", and also pronounced that way. However, this

misunderstanding turned out to be very fortunate. The wrong spelling "DOL" of "DOL" could be read in the suggestive way: DO L Indeed, hundreds of researchers have followed this suggestion. Some of them appear as contributors to this book. Of the many who could not contribute, we in particular regret the absence of A. Ehrenfeucht, G. Herman and H.A. Maurer whose influence in the theory of L systems has been most significant.

In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. Stand Firm: Apologetics and the Brilliance of the Gospel argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

THE DEMON DIARIES is a whimsical young adult series that combines GOOD OMENS style wit with urban fantasy stories similar to CASSANDRA CLARE'S MORTAL INSTRUMENTS to create an enchanting paranormal series that you won't be able to put down. Embark on an exciting adventure in Hell with DEMONIC DORA. She's finally managed to summon her first demon... Dora Carridine is trying to summon a demon, but she's not very good at Latin and nothing ever works out the way she plans. Her life is fraught with weekly exorcisms and having to watch her father's fire and brimstone TV show every Sunday. So, when Dora finally succeeds in summoning an incompetent demon lord, she's absolutely delighted when all hell breaks loose. She thought summoning a sexy demon lord would be the answer to all of her problems, but her problems are only just beginning when her zealot parents try to burn her at the stake, and Dora is left with only one option—to escape and follow her demon straight into Hell. "Wildly, bizarrely, brain-punchingly inventive!" – Derek Landy, bestselling author of Skulduggery Pleasant. DISCOVER THE DEMON DIARIES, WHICH HAS SPELLBOUND 2.5 MILLION READERS. WHAT READERS ARE SAYING "I love how Claire Chilton keeps your pulse racing until the end of the book. The addictive writing plus amusing characters and supernatural stories in these books create an unforgettable read." ????? "If you are looking for an action-packed and funny gothic fiction series with a strong female lead to completely immerse yourself in, then this might be the book series for you." ????? "The descriptions in this hilarious occult series are rich with meaning, and the parody of preternatural characters are brilliantly human." ????? "I love Dora! Her sarcasm manages to amuse me whether she's being tortured in the academy for demons in Hell or just arguing with the Fallen One in Heaven. Great world building, and the best and most sarcastic characters." ????? "Claire Chilton not only conjures a YA fantasy world brimming with magical creatures like vampires, werewolves, zombies, angels, demons, succubus, dragons, elves, fae, fairies, ghosts, gods, shapeshifters and a whole range of mythical monsters, she also creates a few of her own. Were-squirrels, anyone?" ????? "If you're looking for a dark teen comedy that is the goth lovechild of Deadpool and Buffy, then look no further. The novels in this series are fast-paced, dogma-driven, satires that focus on an outcast teenage girl who uses witty banter and a spellbook to become a witch and travel to Hell and back. With light humour and a lot of lols along the way, this Sabrina-like heroine explores the horror of death and darkness in even the most heavenly places." ????? "An entertaining, humorous and romantic paranormal novel that kept me up past midnight because I couldn't put it down." ????? "When the demon lord you're dating takes you home to meet his undead family, and then you're forced to attend school in Hell, you know the romance is going to get a bit weird. This was a fun unearthly romp that will make you laugh out loud. The first story is a bit short, but it's also free. The stories aren't overly romantic, so they're great for older teenage boys and girls." ????? "Deliciously thrilling and wickedly silly from the grave and back! If you're tired of depressed heroines, then enjoy this feisty female protagonist as she travels on the road to Hell with nothing but her spells, soul chips and wits to keep her alive." ????? "A must-read series of sorcery, comedy, witches and demons. I can't wait for more new releases in this series." ????? You know what happens when bad boys get what they wish for? Everything. . . New York Times Bestselling Author Lori Foster Playing Doctor Attitude makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There's that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her. . . admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else. . . USA Today Bestselling Author Erin McCarthy The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body. Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go. . .

Charlie West went to bed an ordinary high-school student. He woke up strapped to a chair, covered in blood and bruises. He hurts all over. And a strange voice outside the door has just ordered his death. Intensely private radio personality Art Bell, who lives in the middle of the desert 65 miles west of Las Vegas--where he broadcasts his radio shows--finally comes forward with his fascinating autobiography. Interviews describe ghetto life
