Leggere in un giorno, scrivere in un anno. Un'innovativa proposta per applicare il metodo analogico all'insegnamento/apprendimento dell'italiano nel primo anno della scuola primaria. Per permettere ai bambini di imparare a leggere fin da subito, viene presentato tutto l'alfabeto, assieme ai digrammi e ai trigrammi, che da gruppi di parola si trasformano in icone, per essere più facilmente memorizzati, individuati e decodificati. Mentre l'apprendimento della scrittura avviene con tempi più lunghi e secondo precise indicazioni. PER SAPERNE DI PIÙ: Camillo Bortolato presenta il nuovo cofanetto. Nel cofanetto sono incluse: • le 8 STRISCE per fare i primi esercizi di lettura e di scrittura; • il PORTASTRISCE, supporto per esporre le strisce sul banco, che consente di scriverci sopra come con una lavagnetta cancellabile; • il PENNARELLO per fare i primi esperimenti di scrittura sul portastrisce; • LE STAGIONI DI PITTI, il libro di lettura con le avventure di Pitti, pettirosso coraggioso, per imparare a leggere fin dal primo giorno di scuola; • IL QUADERNETTO DEI FONT, il quaderno per cominciare il programma di scrittura; • LA GUIDA con le indicazioni per l'utilizzo del kit a scuola e a casa, per gli insegnanti e i genitori. Speciale scontistica per adozioni di classe. "A lushly illustrated picture-book biography of two young Pakistani heroes, Malala Yousafzai and Iqbal Masih, from acclaimed nonfiction author/illustrator Jeanette Winter"--

A fable for children and adults: a story of life, death, and terrorism—in the grand tradition of Exupe?ry's *The Little Prince* When we first meet 93-year-old millionaire Baron Lamberto, he has been diagnosed with 24 life-threatening ailments—one for each of the 24 banks he owns. But when he takes the advice of an Egyptian mystic and hires servants to chant his name over and over again, he seems to not only get better, but younger. Except then a terrorist group lays siege to his island villa, his team of bank managers has to be bussed in to help with the ransom negotiations, and a media spectacle breaks out . . . A hilarious and strangely moving tale that seems ripped from the headlines—although actually written during the time the Red Brigades were terrorizing Italy—Gianni Rodari's *Lamberto, Lamberto, Lamberto* has become one of Italy's most beloved fables. Never before translated into English, the novel is a reminder, as Rodari writes, that "there are things that only happen in fairytales."

Cambridge IGCSE and O Level Geography has been written specifically for Cambridge International syllabuses 0460 and 2217. Filled with sources, graphs and case studies, the coursebook requires students to examine a range of information, helping to build their analytical skills. Written by highly experienced authors and Cambridge trainers, this coursebook is updated to support both Cambridge IGCSE and O Level students. It includes clear and practical support, case studies from 25 different countries, fieldwork ideas and a range of interesting content. The accompanying CD-ROM contains support sheets for the topics covered, outline

maps and sample exam-style questions. Answers to the activities are in the teacher's resource.

Zou is preparing to leave for a school camp. He doesn't want to seem like a baby, but he knows that he will miss all his daily kisses: the bedtime kisses, the morning kisses, the no-reason-at-all kisses . . . But Zou needn't worry. Mum and Dad have a solution. They make dozens of paper kisses and put them in a box for Zou to use whenever he feels a bit lonely. But the box of kisses comes in surprisingly useful on the train . . .

Easy-to-use exercises sure to help students learn numbers between 1-100.

"Code is the 21st century literacy and the need for people to speak the ABCs of Programming is imminent." --Linda Liukas Meet Ruby--a small girl with a huge imagination. In Ruby's world anything is possible if you put your mind to it. When her dad asks her to find five hidden gems Ruby is determined to solve the puzzle with the help of her new friends, including the Wise Snow Leopard, the Friendly Foxes, and the Messy Robots. As Ruby stomps around her world kids will be introduced to the basic concepts behind coding and programming through storytelling. Learn how to break big problems into small problems, repeat tasks, look for patterns, create step-by-step plans, and think outside the box. With hands-on activities included in every chapter, future coders will be thrilled to put their own imaginations to work.

Another generation of MacGregor bachelors finds true love...when they aren't even looking! It worked with his granddaughters. Now Daniel MacGregor, powerful patriarch of the MacGregor clan and self-proclaimed matchmaker, wants to see his three handsome and eligible grandsons married. Unfortunately, D.C., Duncan and Ian have their own busy lives, and they insist on remaining stubbornly single. So their grandfather finds the perfect women to tempt, tease and torture the three bachelor cousins all the way to the altar! D.C. is an artist, and he needs a woman with a backbone, a woman with brains and ambition. Duncan always plays the odds, but now Daniel wants him to gamble in the biggest game of all: the game of love. Ian isn't going to escape the meddling ways of his grandfather, either. Keeping in mind his grandson's sweet nature and gentle heart, Daniel is certain that he's found Ian the perfect lass. And you can be sure that if Daniel MacGregor wants something, he will stop at nothing to get it! Originally published in 1998, this final MacGregor romance will capture your heart.

Daniel Pennac has never forgotten what it was like to be a very unsatisfactory student, nor the day one of his teachers saved his life by assigning him the task of writing a novel. This was the moment Pennac realized that no-one has to be a failure for ever. In School Blues, Pennac explores the many facets of schooling: how fear makes children reject education; how children can be captivated by inventive thinking; how consumerism has altered attitudes to learning. Haunted by memories of his own turbulent time in the classroom, Pennac enacts dialogues with his teachers, his parents and his own students, and serves up much more than a bald analysis of how young people are consistently failed by a faltering system. School Blues is not only universally

applicable, but it is unquestionably a work of literature in its own right, driven by subtlety, sensitivity and a passion for pedagogy, while embracing the realities of contemporary culture.

By the much-loved storyteller Ursula Dubosarsky comes this bouncing story about two cheeky koalas brought to life by Andrew Joyner's classic artwork. Here is Tim. And here is Ed. Same ears, same eyes, Same feet, same head. Tim and Ed love to be together all the time. So what will happen when Ed goes away for the night? From the award-winning team that brought you *The Terrible Plop* and *Too Many Elephants in this House* comes this energetic and delightful story about the beginnings of independence, and about being the same - but different! Tim and Ed is a tale to be read with laughter and enjoyed by all.
