Billions of lives will be wiped away in a final, desperate search for the Child of the Faceless Ones - she who is destined to bring about the return of humankind's ancient overlords. To prevent this, Skulduggery Pleasant and Valkyrie Cain have one last - terrible - option: the assassination of Damocles Creed. With protests stirring in the magical city of Roarhaven, with riots and revolutions on the horizon, Valkyrie must decide who she wants to be: the hero who risks everything for a noble ideal, or the killer who sacrifices her own soul for the fate of humanity. The decision must be made, and time is running out.

She's twelve. He's dead. But together they're going to save the world. Hopefully. The third book in the bestselling Skulduggery Pleasant series. Skulduggery Pleasant and Valkyrie Cain are back in their most gripping story yet, as book 11, *Midnight*, picks up where *Resurrection* left off - and runs.

Magic is a disease. Across the land, normal people are suddenly developing wild and unstable powers. Infected by a rare strain of magic, they are unwittingly endangering their own lives and the lives of the people around them. Terrified and confused, their only hope lies with the Sanctuary. Skulduggery Pleasant and Valkyrie Cain are needed now more than ever. And then there's the small matter of Kitana. A normal teenage girl who, along with her normal teenage friends, becomes infected. Becomes powerful. Becomes corrupted. Wielding the magic of gods, they're set to tear the city apart unless someone stands up against them. Looks like it's going to be another one of those days...

Skulduggery and Valkyrie are facing a new enemy: Baron Vengeous, who is determined to bring back the terrifying Faceless Ones and is crafting an army of evil to help him. Added to that, Vengeous is about to enlist a new ally (if he can raise it from the dead): the horrible Grottesquery, a very unlikable monster of legend. Once Vengeous is on the loose, dead bodies and vampires start showing up all over Ireland. Now pretty much everybody is out to kill Valkyrie, and the daring detective duo faces its biggest challenge yet. But what if the greatest threat to Valkyrie is just a little closer to home? Look for *Scepter of the Ancients*

Just when you think you've saved the world... "You will kill her?" the Torment asked. Skulduggery sagged. "Yes." He hesitated, then took his gun from his jacket. gun at the vest beneath. "Please forgive me," Skulduggery said, then aimed the gun at the girl and pulled the trigger. With Serpine dead, the world is safe once more.
