

The Soul Of Money Transforming Your Relationship With Money And Life

In this penetrating book, renowned intuitive, speaker, and teacher Robert Ohotto guides us on an investigation of the Heroic Journey of the Soul. Exploring three modern-day manifestations of Fate, he shows how psychic energy from family patterns, cultural influences, generational legacy, and global evolution inform our self-concept every day, and how they often block our highest potential and "Fate" us to challenging circumstances and relationships. But, he reveals, these Fated encounters are actually the keys to our unlived life. Each chapter maps our psyche and unravels the mysterious connections of Fate, Free Will, and Destiny, transforming our Fate into Destiny and our limitations into gifts. Through this seminal work based on years of experience, discover how we've made two fundamental agreements with the Universe as part of our Heroic Journey—one with Fate and the other with Destiny. As we learn to dance with these two forces, they become two voices challenging and beckoning us to discover our ultimate purpose—the primary task of the modern-day Hero and Heroine; and in the process, serve to unleash the power of our Soul in delivering grace to the world.

If you could have a conversation directly with Money, what would it say to you? Love Money, Money Loves You is the answer to this question and the message is breathtakingly simple. Money is the powerful energy that underlies every form of exchange that takes place between human beings. It is an extraordinary system for dealing with the billions of financial and material requests that are made by humans every day - many of them hopelessly confused, often desperate. Money speaks to us directly through this book, explaining simply, often with a sense of humour, exactly how our financial requests are processed and delivered, why so many of them never arrive and why we get so many bills, especially when we are broke. This blueprint for making money is for people who haven't yet been able to afford the lifestyle of their dreams but still believe they will - and for anyone interested in exploring more deeply your relationship with money.

This celebrated masterpiece is Oscar Wilde's only novel. A mesmerizing tale of horror and suspense, it has endured due to its artful prose and the philosophical questions it raises, as well as the scandal it caused upon its initial publication in 1890. Written in his distinctively dazzling manner and combining aspects of a Gothic horror novel and decadent French fiction, Wilde forges a devastating account of the effects of evil and depravity on a fashionable young man in late 19th century England who sells his soul in exchange for eternal youth and beauty. A concept that Wilde derived from the German legend of Faust, Gray is the subject of a portrait by painter Basil Hallward who deems his subject's beauty to be inconceivably great. Rather than having to age himself, an egotistical Dorian wishes for the painting to age instead of him so that he can retain his youthful good looks. Gray plunges into a life of vice and debauchery with its sole aim being pleasure. His body retains perfect youth and vigor while the portrait changes day by day into a ghastly chronicle of evil, documenting each of his sins with its appearance, which he must keep hidden from the world. This spellbinding novel tale that warns its readers of the dangers that come with narcissism, self-indulgence, and ignorance still ranks as one of Wilde's most important works. Of Gray's relationship to him, Wilde noted "Basil Hallward is what I think I am: Lord Henry what the world thinks me: Dorian what I would like to be—in other ages, perhaps."

The anniversary edition of this beloved bestseller is celebrated in Prefaces by Oprah Winfrey and Maya Angelou and contains a new Foreword by the author, website links, and a new Study Guide to help readers find even deeper meaning and fulfillment. The Seat of the Soul encourages you become the authority in your own life. It will change the way you see the world, interact with other people, and understand your own actions and motivations. Beginning with evolution, Gary Zukav takes you on a penetrating exploration of the new phase humanity has entered: we are evolving from a species that understands power as the ability to manipulate and control—external power—into a species that understands power as the alignment of the personality with the soul—authentic power. Our evolution requires each of us to make the values of the soul our own: harmony, cooperation, sharing, and reverence for Life. Using his scientist's eye and philosopher's heart, Zukav shows us how to participate fully in this evolution, enlivening our everyday activities and all of our relationships with meaning and purpose. The Seat of the Soul has sold millions of copies around the globe, and as it changes lives, more and more people begin to live by the values of the spirit. Indeed, a new world is emerging, and this book brings its message to you.

NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. LONGLISTED FOR THE ANDREW CARNEGIE MEDAL • "This is the book I've been waiting for."—Ibram X. Kendi, #1 New York Times bestselling author of How to Be an Antiracist Heather McGhee's specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can't do on our own. The Sum of Us is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

When you hear a riveting story, does it thrill your heart and stir your soul? Do you hunger for truth and goodness? Do you secretly relate to Belle's delight in the library in Beauty and the Beast? If so, you may be on your way to being a book girl. Books were always Sarah Clarkson's delight. Raised in the company of the lively Anne of Green Gables, the brave Pevensie children of Narnia, and the wise Austen heroines, she discovered reading early on as a daily gift, a way of encountering the world in all its wonder. But what she came to realize as an adult was just how powerfully books had shaped her as a woman to live a story within that world, to be a lifelong learner, to grasp hope in struggle, and to create and act with courage. She's convinced that books can do the same for you. Join Sarah in exploring the reading life as a gift and an adventure, one meant to enrich, broaden, and delight you in each season of your life as a woman. In Book Girl, you'll discover: how reading can strengthen your spiritual life and deepen your faith, why a journey through classic literature might be just what you need (and where to begin), how stories form your sense of identity, how Sarah's parents raised her to be a reader—and what you can do to cultivate a love of reading in the growing readers around you, and 20+ annotated book lists, including some old favorites and many new discoveries. Whether you've long considered yourself a reader or have dreams of becoming one, Book Girl will draw you into the life-giving journey of becoming a woman who reads and lives well.

A revolutionary program that can free your financial energy, increase your wealth, and help you achieve personal life goals "Money is congealed energy," said Joseph Campbell. And releasing it releases life's possibilities. . . . Thousands of people worldwide have learned how to build a powerful new relationship with their money and bring their dreams to fruition through Dr. Maria Nemeth's dynamic

workshops. Now you can, too. In *The Energy of Money*, Dr. Nemeth—who received an Audio Publishers Award for her Sounds True series on which this book is based—draws upon her more than twenty years' experience in synthesizing spiritual and practical techniques for managing yourself and your work. Combining a complete self-help and self-discovery regimen with proven methods of money management, this powerhouse guide to prosperity presents twelve principles that will help you to

- Uncover the hidden landscape of beliefs, patterns, and habits that underlie and sometimes subvert your everyday use of money and personal resources
- Tame the dragons of driven behavior and busyholism
- Defuse fears of deprivation and scarcity
- Embrace and work through paradox and confusion
- Consciously focus your money energy
- Clear yourself to receive the energy and support of others and the universe
- Develop and stay on your personal path to abundance

Through easy-to-follow exercises and meditations, effective worksheets, and other interactive processes, Dr. Nemeth will guide you to financial success and help you manifest your special contribution to the world.

A fully revised edition of one of the most influential books ever written on personal finance with more than a million copies sold “The best book on money. Period.” –Grant Sabatier, founder of “Millennial Money,” on CNBC Make It “This is a wonderful book. It can really change your life.” -Oprah For more than twenty-five years, *Your Money or Your Life* has been considered the go-to book for taking back your life by changing your relationship with money. Hundreds of thousands of people have followed this nine-step program, learning to live more deliberately and meaningfully with Vicki Robin’s guidance. This fully revised and updated edition with a foreword by “the Frugal Guru” (New Yorker) Mr. Money Mustache is the ultimate makeover of this bestselling classic, ensuring that its time-tested wisdom applies to people of all ages and covers modern topics like investing in index funds, managing revenue streams like side hustles and freelancing, tracking your finances online, and having difficult conversations about money. Whether you’re just beginning your financial life or heading towards retirement, this book will show you how to:

- Get out of debt and develop savings
- Save money through mindfulness and good habits, rather than strict budgeting
- Declutter your life and live well for less
- Invest your savings and begin creating wealth
- Save the planet while saving money
- ...and so much more!

“The seminal guide to the new morality of personal money management.” -Los Angeles Times

In this groundbreaking book, David H. Rosen, M.D., offers depressed individuals, their families, and therapists a lifesaving course in healing the soul through creativity. This is a book about transforming depression and its powerful pull toward suicide into a meaningful alternative. In *Transforming Depression*, Dr. Rosen applies Carl Jung's method of active imagination to treating depressed and suicidal individuals. Having dealt with depression in his own life and the suicides of loved ones, Dr. Rosen shows that when people learn to confront the rich images and symbols that emerge from their struggles, they can turn their despair into a fountain of creative energy. He details the paths of four patients whose work in painting, pottery, and dance -- in conjunction with psychotherapy -- led them from depression to a more meaningful life. Their dramatic paintings illustrate the text. Part One presents an overview of the biological, psychological, sociological, and spiritual factors involved in the diagnosis of depression. Part Two provides a new therapeutic approach to treating depression, focusing on the symbolic death and rebirth of the ego (ego-cide) as an alternative to suicide. Part Three presents in-depth case studies from Dr. Rosen's practice. Part Four discusses how we can recognize crisis points and how creativity can transform depression. The author pays particular attention to the problem of teen suicide.

“At the core, *Hit Refresh*, is about us humans and the unique quality we call empathy, which will become ever more valuable in a world where the torrent of technology will disrupt the status quo like never before.” – Satya Nadella from *Hit Refresh* “Satya has charted a course for making the most of the opportunities created by technology while also facing up to the hard questions.” – Bill Gates from the Foreword of *Hit Refresh* The New York Times bestseller *Hit Refresh* is about individual change, about the transformation happening inside of Microsoft and the technology that will soon impact all of our lives—the arrival of the most exciting and disruptive wave of technology humankind has experienced: artificial intelligence, mixed reality, and quantum computing. It’s about how people, organizations, and societies can and must transform and “hit refresh” in their persistent quest for new energy, new ideas, and continued relevance and renewal. Microsoft’s CEO tells the inside story of the company’s continuing transformation, tracing his own personal journey from a childhood in India to leading some of the most significant technological changes in the digital era. Satya Nadella explores a fascinating childhood before immigrating to the U.S. and how he learned to lead along the way. He then shares his meditations as a sitting CEO—one who is mostly unknown following the brainy Bill Gates and energetic Steve Ballmer. He tells the inside story of how a company rediscovered its soul—transforming everything from culture to their fiercely competitive landscape and industry partnerships. As much a humanist as engineer and executive, Nadella concludes with his vision for the coming wave of technology and by exploring the potential impact to society and delivering call to action for world leaders. “Ideas excite me,” Nadella explains. “Empathy grounds and centers me.” *Hit Refresh* is a set of reflections, meditations, and recommendations presented as algorithms from a principled, deliberative leader searching for improvement—for himself, for a storied company, and for society. The difficult task of making peace with an often tumultuous world is made simple with this unique spiritual guide to the human soul. Through deeper understanding of the soul and its purpose, inherited beliefs can be understood and overcome. A number of practical exercises are provided to help cleanse the mind of these inhibiting loyalties. The novel process of connecting with the souls of ancestors is also explained in-depth and is shown to produce a remarkable healing power. Ultimately, a carefully transformed set of values will lead to an improved attitude towards life as a whole.

New in paperback from the author of *Outrageous Openness*: a witty and spirited guide to radically releasing the burdens of financial fears. It's natural to crave prosperity. Some seek to manifest it in myriad ways--using anything from vision boards to writing a pretend check for a million dollars from the Bank of Divinity. Yet whatever comes, or doesn't, the mind always seems to want more. But what if there was a whole other way? Instead of grasping and chasing, what if we offered everything--our money (or lack of it), our triumphs, our problems, our desires--fully back to Love? What if this offering itself was actually the secret to abundance? Tosha Silver, internationally beloved spiritual guide, has created a practical and powerful financial book unlike any other. Leading you through a deeply transformative eight-week process, she shares the mental, emotional, and spiritual steps that anyone can take to learn to fully receive and prosper. Her step-by-step guidance is filled with prayers, meditations, and stories to help you find and heal the source of

these fears and unworthiness. As you come to know you are part of something larger--something that you serve and that longs to serve you--you begin to feel a new sense of freedom and abundance. You yourself become a vehicle for Divine Flow.

Renowned astrologer, Debbie Frank, shares how to use astrology for personal development - discover how your soul was destined to grow, develop and evolve in this lifetime. Are you ready to discover who you really are on a soul level, and who you were born to be? The magic of astrology flows through every aspect of our lives - from our work and relationships to our inner power and creative inspiration - leaving signposts, messages and guidance to assist us on our soul journey. In this book, Debbie Frank reveals her secrets for turning the insights from your birth chart into incredible triggers for personal growth. You'll learn how to: • interpret your 'soul signs' - the positions and interactions of the planets and aspects in your chart • understand how the nodes reveal your soul path and soul connections with others • discover how your soul was destined to grow, develop and evolve in this lifetime Your birth chart is a sacred map encoded with all the information you need to find your true purpose, raise your vibration and transform your life. Internationally acclaimed healer Dr Zhi Gang Sha provides a simple answer to the age-old question, what is the real secret to healing? The answer? Heal the soul first, then healing of the mind and body will follow. Trained as both a medical doctor and a practitioner of traditional Chinese medicine, Dr Sha takes integrative medicine to a whole new and exciting level that goes beyond mind over matter, emphasizing soul over matter. Soul Wisdom argues that spiritual blockages are due to bad karma, the sum of total mistakes one has made in this and previous lifetimes. By following Dr. Sha's teachings, readers can learn to clear up these blockages, particularly using such simple notions such as unconditional love, forgiveness and service. As Dr. Sha puts it, 'Love melts all blockages and forgiveness brings peace.' And most importantly, you have the ability to heal yourself. Essentially this is the an introductory guide for all of us to learn practical techniques to help open our minds, empower, heal and transform every aspect of our lives. Everyone has a purpose. And, according to Oprah Winfrey, "Your real job in life is to figure out as soon as possible what that is, who you are meant to be, and begin to honor your calling in the best way possible." That journey starts right here. In her latest book, *The Path Made Clear*, Oprah shares what she sees as a guide for activating your deepest vision of yourself, offering the framework for creating not just a life of success, but one of significance. The book's ten chapters are organized to help you recognize the important milestones along the road to self-discovery, laying out what you really need in order to achieve personal contentment, and what life's detours are there to teach us. Oprah opens each chapter by sharing her own key lessons and the personal stories that helped set the course for her best life. She then brings together wisdom and insights from luminaries in a wide array of fields, inspiring readers to consider what they're meant to do in the world and how to pursue it with passion and focus. Renowned figures such as Eckhart Tolle, Brene Brown, Lin-Manuel Miranda, Elizabeth Gilbert, Jay-Z, and Ellen DeGeneres share the greatest lessons from their own journeys toward a life filled with purpose. Paired with over 100 awe-inspiring photographs to help illuminate the wisdom of these messages, *The Path Made Clear* provides readers with a beautiful resource for achieving a life lived in service of your calling – whatever it may be.

Courtney Carver shows us the power of simplicity to improve our health, build more meaningful relationships, and relieve stress in our professional and personal lives. We are often on a quest for more—we give in to pressure every day to work more, own more, and do more. For Carver, this constant striving had to come to a stop when she was diagnosed with Multiple Sclerosis (MS). Stress was like gasoline on the fire of symptoms, and it became clear that she needed to root out the physical and psychological clutter that were the source of her debt and discontent. In this book, she shows us how to pursue practical minimalism so we can create more with less—more space, more time, and even more love. Carver invites us to look at the big picture, discover what's most important to us, and reclaim lightness and ease by getting rid of all the excess things.

"A life-changing read. With warmth, honesty, and storytelling, Lynne turns everything we think we know about money upside down...It's the book we all need right now." —Brené Brown, Ph.D., author of the #1 New York Times bestseller *Rising Strong* This liberating book shows us that examining our attitudes toward money—earning it, spending it, and giving it away—offers surprising insight into our lives. Through personal stories and practical advice, Lynne Twist asks us to discover our relationship with money, understand how we use it, and by assessing our core human values, align our relationship with it to our desired goals. In doing so, we can transform our lives. *The Soul of Money* now includes a foreword from Jack Canfield and a new introduction by Lynne Twist, in which she explores the effects of the Great Recession and environmental concerns about our monetary needs and aims.

Conscious Capitalists from Wall Street to Main Street are revolutionizing wealth creation — are you among them? Would you like to be? When did capitalism and making money become bad things? Where do you draw the line between making a living and greed? Can you work on Wall Street without selling your soul? Is it possible there are more decent people working on Wall Street than there are wolves? In this book, Kim Ann Curtin challenges the established narrative of self-interest and greed that has informed so much of the coverage around Wall Street, and sets out an optimistic and positive vision for the future of America's financial heart. The book combines fresh insight, intelligence, and experience from fifty leading Wall Street luminaries, a panel of academic experts, and a wide-ranging group of Teachers of Consciousness — offering an eye-opening and soul-inspiring insight into the way that Conscious Capitalism is transforming America's financial industry. Whether you're avidly capitalistic, angry at Wall Street, or simply seeking to balance wealth with meaning, *Transforming Wall Street* provides a roadmap to a more conscious existence. And with supporting evidence from *The Wall Street 50*, you'll see that integrity really does breed success. *The Wall Street 50* include: Bill Ackman, Dara Albright, John Allison, John Bogle, Josh Brown, Frank R. Casey, Susan Davis, Amy Domini, Joseph Grano, Oswald Grubel, Janet Hanson, Carla Harris, Hazel Henderson, Erika Karp, Brad Katsuyama, Henry Kaufman, Dr Andrew Kuper, Robert Monks, Joe Perella, Barry Ritholtz, Jim Rogers, Jack Schwager, Don Seymour, John Whitehead, Fred Wilson... and 25 more.

What is your truth? Have you ever felt like you're living a lie? Are you pretending to be someone you're not to fit in, or reaching for goals to meet the expectations of others, or settling for a life that doesn't feel good in your soul? By uncovering who you really are, what you really want, and what you're meant to do while you're here on earth, *A New Way of Life* offers simple and intuitive guidance for creating a life aligned with your truth. In *A New Way of Life*, author, mentor, and coach Leah Brathwaite shares her own journey of self discovery and walks you through 8 transformative steps that took her from living a lie

Where To Download The Soul Of Money Transforming Your Relationship With Money And Life

to a life of purpose, passion, and joy. As you move through this book you will: - Identify the lies that are keeping you from the life you're meant to live. - Transform your relationship with yourself and the world around you. - Learn to free yourself from the habits and beliefs that limit your soul and your success. - Create a new way of life that leads you to your deepest desires and start living it NOW.

When women are empowered with money, they become “difference makers.” They transform not only their own lives but also those of their children, their families, and their communities at large. Author Meriflor Toneatto, an award-winning leadership and coaching executive, shows you how to extend your limits and create the life of your dreams, one that is rich and fulfilling in every way — financially, spiritually, and emotionally. This powerful book explains how money is “emotional currency” and prescribes eight Holistic Principles that help you overcome deep-seated blocks, “pay forward” your own successes, and live the life of your dreams.

Revised and Updated In an age of great economic uncertainty when everyone is concerned about money and how they spend what they have, this new edition of the bestselling *Your Money or Your Life* is an essential read. With updated resources, an easy-to-use index, and anecdotes and examples particularly relevant today, it tells you how to: get out of debt and develop savings, reorder material priorities and live well for less, resolve inner conflicts between values and lifestyle, save the planet while saving money, and much more. In *Your Money or Your Life*, Vicki Robin shows readers how to gain control of their money and finally begin to make a life, rather than just make a living.

Change Your Habits, Change Your Life is the follow-up to Tom Corley's bestselling book "Rich Habits." Thanks to his extensive research of the habits of self-made millionaires, Corley has identified the habits that helped transform ordinary individuals into self-made millionaires. Success no longer has to be a secret passed down among only the elite and the wealthy. No matter where you are in life, "Change Your Habits, Change Your Life" will meet you there, and guide you to success. In this book, you will learn about:

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to change your relationship to money and how to transform your life at the same time. You will also learn : the negative effects of a society whose main value is money; that, contrary to appearances, money does not bring happiness; why you probably use your money in the wrong way; how to get more satisfaction from what you already have; how to be more authentic and give more meaning to your life. Money is the invention that made possible the development of commerce and civilization. As such, it is a necessary tool, which must be respected at its true value. However, today's society has lost sight of its exact role and has erected it as a fundamental and dominant value. No doubt you too think that you don't have enough money and that you would like to earn more. This state of mind is normal and difficult to avoid, because no one really teaches you how to have a healthy relationship with your money. However, living for the "more" doesn't mean "always better". Lynne Twist, who has been actively involved in the fight against world hunger for more than 40 years, has worked with both the richest and the poorest. Are you ready to find out what no one has told you about money? *Buy now the summary of this book for the modest price of a cup of coffee!

Awarded the 2016 Nautilus Silver Medal for Personal Growth! This is the book your money-savvy best friend, therapist, and accountant would write if they could. It's the book about money for people who don't even want to think about money, until the arrival of that inevitable day when we all realize we must come to terms with this thing called money. Everyone has pain and challenges, strengths and dreams about money, and many of us mix profound shame into that relationship. In *The Art of Money*, Bari Tessler offers an integrative approach that creates the real possibility of "money healing," using our relationship with money as a gateway to self-awareness and a training ground for compassion, confidence, and self-worth. Tessler's gentle techniques weave together emotional depth, big picture visioning, and refreshingly accessible, nitty-gritty money practices that will help anyone transform their relationship with money and, in so doing, transform their life. As Bari writes, "When we dare to speak the truth about money, amazing healing begins."

Are you searching for the kind of authentic happiness that makes your heart beam with joy? Have you felt a gentle nudge recently to listen to the call of your soul? Do you want to gain the sort of wisdom and insight that will help you have more clarity in life? Then this book is for you. Kylie Riordan, author of *When Soul Is Life*, lovingly presents life-transforming soul wisdom that inspires you to live a life of authentic happiness in the here and now by using practical real-life virtues such as kindness and love. Are you brave enough to listen to the call of your soul? Are you ready to enter into a sacred contract with love? Once you open this book and embrace the wisdom of your soul, there is no turning back. If you are courageous enough to take the first step, you can be sure that the final destination will be love. When do you know you have obtained authentic happiness? When soul is life!

If we understood the true role of money in our lives, writes philosopher Jacob Needleman, we would not think simply in terms of spending it or saving it. Money exerts a deep emotional influence on who we are and what we tell ourselves we can never have. Our long unwillingness to understand the emotional and spiritual effects of money on us is at the heart of why we have come to know the price of everything, and the value of nothing. Money has everything to do with the pursuit of an idealistic life, while at the same time, it is at the root of our daily frustrations. On a social level, money has a profound impact on the price of progress. Needleman shows how money slowly began to haunt us, from the invention of coins in Biblical times (when money was created to rescue the community good, not for self gain), through its hypnotic appeal in our money-obsessed era. This is a remarkable book that combines myth and psychology, the poetry of the Sufis and the wisdom of King Solomon, along with Jacob Needleman's searching of his own soul and his culture to explain how money can become a unique means of self-knowledge. As part of the Currency paperback line, it includes a "User's Guide" an introduction and discussion guide created for the paperback by the author -- to help readers make practical use of the book's ideas.

A top conscious business consultant shares the essential inner skills you need to be a force for change—in your workplace and in the world. The way we do business is changing. Every day, we see new evidence that we've got to move away from the status quo that is burning out workers, enabling greed, and endangering our planet. Yet how do you develop the skills and practical tools to prioritize people, planet, and prosperity? “Everything starts with your inner game,” teaches conscious business consultant Carley Hauck. “In this book, I'll share the most powerful methods I know for learning to fully embody your highest values, lead with compassion and generosity, and create soul-nourishing workplaces that become forces of good in the world.” With *Shine: Ignite Your Inner Game to Lead Consciously at Work and in the World*, Hauck distills the research-based methods and game-changing skills she's brought to corporate settings such as LinkedIn, Pixar, Genentech, Clif Bar, and more. Here you'll learn tools and

practices for cultivating the six “inner game skills” for conscious leadership: • Self-Awareness—understand your strengths, blind spots, motivations, and behaviors, and how these impact others • Emotional Intelligence—learn how to navigate challenging feelings and develop the qualities of empathy and attunement • Resilience—how to adapt gracefully to the constant state of change in business and the world • Love—lead from the heart, create a caring and collaborative workplace, and build lasting connections based on shared passion and ideals • Well-Being—self-care techniques to prevent burnout in the workplace and promote sustainability for the planet • Authenticity—embracing the shadow sides of yourself and your workplace through vulnerability, forgiveness, and trust Leadership in a conscious workplace is not just about CEOs and executives—everyone has a role to play to create a healthier, more equitable, earth-friendly way of doing business. “I want to support you in cultivating a strong, brilliant inner game that will help you inspire greater collaboration, innovation, and belonging,” says Carley Hauck. “We need each other’s support for a collective response to today’s complexities. When we grow the qualities that allow us to shine from the inside out, we each contribute our light to the creation of a better world.”

Healing That Reaches Beyond the Self In this landmark work, Marianne Williamson reminds us that there is a point in everyone's spiritual journey where the search for self-awareness can turn into self-preoccupation. All of us are better off when contemplation of holy principles is at the center of our lives. But it is in applying those principles in our lives that we forge the true marriage between heaven and earth. In the compassionate but clear-eyed prose that has won her so many avid readers, Williamson shows us that the principles which apply to our personal healing also apply to the healing of the larger world. Calling on Americans to turn the compassion in our hearts into a powerful force for social good, Williamson shows us how to transform spiritual activism into a social activism that will in turn transform America into a nation seriously invested in the hope of every child and in the potential of every adult.

There are pivotal moments in the lives of all seekers when we realize that we've been traveling on our path of growth toward happiness and fulfillment, but, simply put, we want to go faster. How we have been living, working, and loving just isn't enough or even acceptable anymore. We know we're being called to something more significant and expanded—we can feel it. At these times what's needed is not simply more change or an adjustment in our outer life, but profound transformation. We don't just want to rearrange the pieces of ourselves so that they look better temporarily. We want nothing less than rebirth. We are ready for Soul Shifts. Soul Shifts is the groundbreaking new book from New York Times best-selling author and renowned transformational teacher Barbara De Angelis, Ph.D. Now, in her most powerful offering yet—and the culmination of her life's work—Dr. De Angelis offers a practical handbook for awakening, and a brilliant revisioning of the journey of personal and spiritual transformation that will inspire and enlighten longtime seekers as well as new arrivals to the path of growth. Soul Shifts are radical, vibrational internal shifts that spontaneously and inevitably transform the way you relate to yourself, to others, and to the world. For transformation to be real and lasting, it must originate from the inside out, so that instead of trying to constantly micromanage everything, you operate from true mastery at the deepest level of who you are—the soul level. When you learn how to make these Soul Shifts on the inside, everything on the outside of your life shifts. Places where you've felt stuck or confused become illuminated with new clarity and understanding. Obstacles turn into possibilities, dead ends transform into doorways, and challenges convert into astonishing maps leading you to exciting new territories . . . all because you have made a Soul Shift. A masterful and moving teacher, Dr. De Angelis will offer you illuminating guidance and invaluable techniques for living a life of practical spirituality and making your own personal Soul Shifts. Written with Barbara De Angelis's trademark eloquence, keen insight, and compassionate wisdom, Soul Shifts takes you on nothing less than a sacred inner journey to emotional and spiritual rebirth and lasting attainment. Reading it will leave you truly and authentically uplifted and transformed.

In this expanded edition of her spiritual formation classic, Ruth Haley Barton invites us to an honest exploration of what happens when spiritual leaders lose track of their souls. Weaving together contemporary illustrations with penetrating insight from the life of Moses, Barton explores topics such as facing the loneliness of leadership, leading from your authentic self, reenvisioning the promised land and more.

In her latest book, *The Universe Has Your Back*, New York Times best-selling author Gabrielle Bernstein teaches readers how to transform their fear into faith in order to live a divinely guided life. Each story and lesson in the book guides readers to release the blocks to what they most long for: happiness, security and clear direction. The lessons help readers relinquish the need to control so they can relax into a sense of certainty and freedom. Readers will learn to stop chasing life and truly live. Making the shift from fear to faith will give readers a sense of power in a world that all too often makes them feel utterly powerless. When the tragedies of the world seem overwhelming, this book will help guide them back to their true power. Gabrielle says, “My commitment with this book is to wake up as many people as possible to their connection to faith and joy. In that connection, we can be guided to our true purpose: to be love and spread love. These words can no longer be cute buzz phrases that we merely post on social media. Rather, these words must be our mission. The happiness, safety, and security we long for lies in our commitment to love. ” When readers follow this path, they 'll begin to feel a swell of energy move through them. They will find strength when they are down, synchronicity and support when they 're lost, safety in the face of uncertainty, and joy when they are otherwise in pain. Follow the secrets revealed in this book to unleash the presence of your power and know always that *The Universe Has Your Back*.

The three steps of salvation in a nutshell are these - becoming a Christian; living the Christian life; and going to heaven. Theologians refer to these three steps as Justification, Sanctification, and Glorification. The first and third steps are instantaneous experiences, but the second step (sanctification) is a life long process whereby the Holy Spirit works in the believer's life to bring about practical holiness and transform his character into the likeness of Christ. It is this second step of salvation with which the believer struggles, because it requires putting to death the deeds of the body (saying "no" to our sin nature), and obeying the promptings of the Holy Spirit (saying "yes" to God) - this is the essence of spiritual warfare. Sadly, most churches in the West today pretty much ignore the issue of Sanctification, and just focus on Justification - either out of ignorance about what Scripture teaches, or out of fear that living a holy life is essentially "legalism." But living a life of obedience to Christ in the power of the Holy Spirit has nothing to do with legalism - legalists think they "gain favor with God" by being good, but believers obey Christ out of gratitude because they already "have favor with God!" The "key" to sanctified living is gratitude! The Bible emphatically describes God as being both loving and holy, yet western Christianity primarily focuses on God's love, and says almost nothing at all about His holiness. As such, the central message of most churches is one of love and forgiveness, with scarcely a word being said about holiness and death to sin and self. Satan is thrilled with our one dimensional Christianity, because it essentially leaves believers lukewarm, impotent and ineffectual. This book presents God's blueprint for spiritual development and portrays the "transformational experiences" every believer goes through in life - they include ups and downs, highs and lows, peaks and valleys, joy and suffering, victory and defeat - these experiences are the "norm" for every believer; none of us get a painless, trouble-free road to glory. Incidentally, the material presented in this book reflects the teachings of the most respected Christian theologians since the reformation - individuals the evangelical community has long recognized as being "pillars of the faith." To our lamentable regret, however, these teachings no longer have a prominent place in the vast majority of churches in the West. It is time for believers in America today to reconsider the fullness of God's call upon their lives. Donald W. Ekstrand is a retired pastor, adjunct professor, and author. Dr. Ekstrand holds degrees in finance, business education, theology and divinity, and is a graduate of Arizona State University, Talbot School of Theology, and Western Seminary. He has served as pastor, teacher, ministry consultant, and executive administrator for more than 40 years. Don and his wife, Barbara, have two grown daughters and reside in Phoenix, Arizona
